Transport in Bracknell Forest

This leaflet is designed to help you use the local bus services to travel to popular local destinations.

Using the bus services

At your local bus stop you will find a 'flag' and a timetable case. The flag tells you the name of the stop and the route numbers of buses which stop there. The timetable case shows you the times the buses are due to call at your bus stop. This leaflet lists the bus routes serving each destination from **Bracknell bus station**.

You do not need to have the exact fare for travelling on most buses in Bracknell Forest, but it is helpful if you do.

Most of the bus routes in Bracknell Forest start or finish in the town centre. It is often necessary therefore when travelling by bus to catch one bus into Bracknell bus station, and then change to another bus for onward travel to your destination.

If you qualify for a concessionary bus pass, you can use it to make many of the journeys included in this leaflet.
