AND ARE YOU?

Very unhappy with what's happening to you.

WHAT SHOULD YOU DO?

Talk to your social worker, keyworker, teacher, advocate or someone you trust.

Tell this person what the matter is and show them this leaflet.

3

Or tell us - you can write or telephone.

WHAT HAPPENS THEN?

The person you tell will try to help.

Sometimes it is not possible to put things right straight away.

Usually telling somebody can help.

4

We will try to help make things better.
