Information for Parents / Guardians

The Fun Card your child will receive does not have any personal information on it, only a 4 digit number that will enable your child to access the service without any data needing to be recorded at the time of play. If you have any queries regarding this form or how information will be used, please contact: Lorraine Collins 01344 312806 or email lorraine.collins@bracknell-forest.gov.uk

The Play Ranger Service will be running sessions throughout the week geared at 8-13 year olds, however if your child is older and wants to join in, they are more than welcome to do so. If your child is under 8 years old, they should be accompanied by an adult who should also be responsible for completing an application on the child's behalf.

The Play Rangers organise play activities in partnership with the children and young people. Their presence promotes friendship and teamwork, building confidence and self esteem. Activities are free of charge and the children and young people are free to come and go as they please. Please note that the Play Rangers do not provide childcare services.

Personal information on the above application will only be used to produce the statistical data required as a condition of funding. Active Fun Card 4 digit numbers will be used in regular prize draws.
