Dear John,

BRACKNELL FOREST BOROUGH COUNCIL- STATEMENT OF COMMUNITY INVOLVEMENT EXAMINATION – INSPECTOR’S REPORT

I am pleased to enclose two copies of the draft report prepared by Inspector Keith Holland following the written representations examination to consider the soundness of the Bracknell Forest Borough Council’s Statement of Community Involvement.

On behalf of the Inspector I would like to thank your Authority for its assistance. I feel sure that this has helped the Inspector minimise the time taken to produce this report that in turn has made an effective contribution towards achieving the Inspectorate’s objective of expediting its part of the overall Plan-preparation process.

Your Authority should now carry out a factual check of the draft report. Local Planning Authorities may request an amended report within 10 working days from the date of receipt of the Inspector’s draft report, although such amendments must be confined to matters of clarification, or omissions, which need to be resolved. The final report, with amendments from the draft where necessary, will be issued to you without additional charge to the LPA, within 20 working days of the Inspector being asked to consider any amendments. If you do not require clarification, would you please inform the Planning Inspectorate by the end of the 10 day period that you are prepared to accept the draft report as the final version.

The report will be binding upon the Local Planning Authority and gives specific recommendations as to how the Statement of Community Involvement must be changed. I would be grateful if you could notify the Inspectorate beforehand of the

date on which the Inspector's final report is to be published. I also welcome, in due course, 2 copies of the adopted Statement of Community Involvement.

Yours sincerely
