ORGANISATIONS**

WEDNESDAY 6<sup>TH</sup> October 2008

17.45 – 19.45

The Recital Room  
South Hill Park  
Ringmead, Bracknell  
Berkshire, RG12 7PA

**Calling all clubs!**

Bracknell Forest Council Arts Development exists to create, promote and support arts activity in the area. Following on from our successful 'Creative Network for Individuals', we've now set our sights on the enormous range of creative organisations in the area, and we're keen to help support their fantastic work in the borough. **We are looking for all the voluntary and professional creative groups to attend this inaugural meeting so we can support and develop the potential of arts organisations across the Borough.**

**The Creative Network for Organisations is a free resource** which will provide a chance for representatives from similar fields to pool resources, share best practice and most importantly to create an opportunity for networking and discussion. The Creative Network will host a number of meetings throughout the year, examining themes of interest to arts organisations, such as promotion and funding. By registering with the Network we will be able to keep you informed of future meetings and opportunities. The database will also serve as a resource for clients seeking to work with arts organisations in the area.

**The first meeting is taking place at South Hill Park on the 6<sup>th</sup> October 2008 from 5.45-7.45pm, and will allow those present to shape the future of the network. Our visiting speaker for this session is Robin Simpson, the Chief Executive Officer of Voluntary Arts Network which is the national development agency for the voluntary arts - for further details of VANS work please visit <http://www.voluntaryarts.org>**

Please try to book by the 25<sup>th</sup> Sept using the form over leaf so that we can make arrangements regarding resources for the meeting.

I look forward to hearing from you.

Kerry Lemon  
Assistant Arts Development Officer  
Bracknell Forest Borough Council
