Notes: \*. Limiting long-term illness covers any long-term illness; health problem or disability which limits daily activities or work.

\*\* Working age population is 16-64 inclusive for men and 16-59 inclusive for women.

\*\*\* General health refers to health over the 12 months prior to Census day (29 April 2001).

# Provision of unpaid care: looking after; giving help or support to family members; friends; neighbours or others because of long-term physical or mental ill-health or disability or problems relating to old age.
