

Help shape the future of your parks and open spaces by joining the Local Countryside Access Forum

The Forum is an independent group of keen walkers, cyclists and horse riders who meet twice a year to debate topical issues and discuss policy proposals in relation to public access to the countryside and Public Rights of Way.

In addition to the meetings, members have the opportunity to get involved in activities such as walks/talks and attending national and regional conferences, which can be a great networking opportunity.

These are unpaid voluntary positions, where no formal qualifications are needed, however interested people will ideally have a broad range of knowledge, interest and experience relevant to countryside access.

Further information about the forum, including a person specification and application form is available on our website or by contacting us at the details below.
