Pitch & Putt

Players should always:

Replace all divots

Smooth out bunkers after use

Repair all pitch marks on the ground

Do not take trolleys or bags onto the tees or greens (including the immediate surrounds)

Clear the greens quickly on completion of putting (please do not place the trolleys or bags at the front of the green as this holds up play for those following).

Players must *always* obtain a green receipt from the professionals shop *before* play. It must be retained for inspection on the course.

Downshire Golf Complex is owned and managed by Bracknell Forest Borough Council
