

'Smartie Pants' Nappy Incentive Scheme

Bracknell Forest Council is offering parents the chance to claim £30 for going 'green' and using washable nappies.

To qualify for the payment:

- You must be a resident of Bracknell Forest Borough
- Your child must be under 18 months old
- You must be the child's parent or legal guardian
- You must use the payment to go towards the cost of purchasing reusable nappies or towards the weekly cost of a nappy washing service
- You can only make one claim per child

Random checks may be made to check the eligibility of your claim. If you are found to have falsely claimed the subsidy you will be asked to repay the full amount.

To prove your entitlement you must supply:

- A copy of your child's birth certificate

And either:

- A recent detailed receipt or receipts clearly showing the purchase of reusable nappies to the total value of £30 or more;

OR

- An invoice, or invoices, to the total value of £30 or more, or a signed compliments slip from a nappy washing service;

OR

- Signed confirmation from a health professional. On the reverse of the application form there is a blank form which can be signed the next time you see your health visitor.

To apply for the £30 incentive, fill in the attached application form and return it together with the required documentation to:
