

**ADOPTION STATEMENT  
STREETSCENE  
SUPPLEMENTARY PLANNING DOCUMENT**

In accordance with Regulation 19 of the Town and Country Planning (Local Development) (England) Regulations 2004, notice is given that Bracknell Forest Council formally adopted the Streetscene Supplementary Planning Document (SPD) forming part of the Bracknell Forest Local Development Framework on 6 April 2011.

The Streetscene SPD provides guidance as a material consideration to assess planning applications affecting residential sites in the Borough. The Streetscene SPD sets out an holistic approach across a number of Council services to the design of residential streetscenes. This approach incorporates urban design, highway design, adoptions, landscape, trees, refuse management and road safety issues. Additionally, the document states the Council's response, as both a planning and highway authority, to the national guidance document the "Manual for Streets", published by the Department for Transport and Communities and Local Government and "Manual for Streets 2: A Wider Application of the Principles", published by Chartered Institution of Highways and Transportation.

Annex 1 of the SPD, the Highways Guide for Development, details the technical specifications for implementing the principles contained within the main body of the document.

The Council has also published a Sustainability Appraisal.

Any person aggrieved by the Streetscene SPD may apply to the High Court for permission to apply for judicial review of the decision to adopt the SPD. Any such application for leave must be made promptly and in any event not later than 3 months after the date on which the SPD was adopted.

The adopted SPD, this Adoption Statement, the Consultation Statement and the Sustainability Appraisal can be viewed on the Council's website at [www.bracknell-forest.gov.uk/streetscene](http://www.bracknell-forest.gov.uk/streetscene). The SPD and supporting documents are also available for inspection at the following addresses:
