## **Adoption Statement: October 2008**

### **Notice of adoption of the Sustainable Resource Management Supplementary Planning Document**

In accordance with Regulation 19 of the Town and Country Planning (Local Development) (England) Regulations 2004, notice is given that on 21 October 2008 Bracknell Forest Council formally adopted Sustainable Resource Management as a Supplementary Planning Document (SPD). This document now forms part of the Bracknell Forest Local Development Framework.

The Sustainable Resource Management SPD provides additional guidance on the implementation of policies within the Bracknell Forest Borough Core Strategy Development Plan Document; specifically Core Strategy Policy CS10: Sustainable Resources and Core Strategy Policy CS12: Renewable Energy. It sets out how new developments should be constructed in a sustainable way in order to meet local, regional and national best practice standards relating to resource use and climate change.

Any person with sufficient interest in the decision to adopt the Sustainable Resource Management SPD may apply to the High Court for permission to apply for judicial review of that decision. Any such application must be made promptly and in any event not later than 3 months after the date on which the SPD was adopted.

The adopted SPD, this Adoption Statement, the Statement of Representations<sup>1</sup> and the Sustainability Appraisal can be viewed on the Council's website at [www.bracknell-forest.gov.uk](http://www.bracknell-forest.gov.uk). The SPD documents are also available for inspection at the following places:

- Bracknell Forest Council offices at Time Square and Easthampstead House;
- Libraries in the Borough;
- Town and Parish Council offices.

Full address details and opening hours can be found overleaf.
