

Hackney Carriage and Private Hire Vehicle Inspections

Vehicle owners must book their own vehicle inspection directly with one of the authorised garages, contact details for which can be found below.

The garages will carry out a compliance test on the vehicle which will include all elements of an MOT. If you require an MOT certificate, please notify the garage when booking your inspection. When the garage has completed the appropriate testing, they will give the driver any relevant MOT and compliance test documentation and they will also forward copies directly to the Licensing Section within 24 hours.

The maximum charges shown below cover a compliance test and issue of an MOT certificate. Fees are correct at time of printing, and may be increased in line with any increases to the VOSA MOT test fee.

If you have any queries about this, please call the Licensing Section on 01344 352000 or email us at licence.all@bracknell-forest.gov.uk.
