

Bracknell Forest's BIG Dream

for Children and Young People

The adults in Bracknell Forest have written a plan after listening to and talking with lots of children, young people, families, and adults.

In the plan they have a dream for all children and young people to show how they will help you to be healthy, happy and achieve what you want.

Their dream is for you to:

**Be healthy
Stay Safe
Enjoy & Achieve
Get Involved
Have a good future**

How will they do this?
They will make sure:

Thanks to young people -

athena, michelle, chris, ally, sabba, katy, charlotte,

hayley, dom, chris, ashley, kayleigh, jade, jack, kai, sophie, chloe and tom.

**We come first and we get a say
Everyone can join in
We get respect and support
The people who help us work together
Everyone's views are listened to
Everyone is treated equally
We have the money and stuff we need**
