

Welcome to Lily Hill Park's mystery brass rubbing trail!

Veteran Oak

Hint: These trees can provide a haven for over 2,300 wildlife species, more than any other tree in the UK!

Ha-ha

Hint: Old English folklore tells these plants would ring at dawn to call fairies to the woods!

Lily Hill House

Hint: These structures keep seeds safe over winter by closing up in cold weather.

Lily Hill Park is open to all, every day of the year. It features 56 acres of restored, heritage parkland and gardens for you to explore and enjoy. It has an extensive network of well surfaced footpaths for accessibility.
