Community Governance Review Representation from Sandhurst Town Council

The Town and Parish boundaries should match with the unitary boundaries ie Sandhurst should contain the existing Wards of Little Sandhurst and Central Sandhurst and Owlsmoor and College Town should contain the existing Wards of Owlsmoor and College Town.

There should not be a case where people in the existing Ward of Owlsmoor or College Town should have to vote in one polling station for unitary elections and in another for Town elections. It appears at the moment, that there are a few roads in College Town that would be expected to use 2 separate polling stations.

The recommendations for revised numbers of Councillors has been discussed and our recommendation is that it should remain as 6 Ward Councillors for each of the Sandhurst wards.
