Binfield Parish Council appreciate the opportunity to provide a response to the draft proposals set out following the first stage of consultation of the Community Governance Review.

We would like to thank the panel for the consideration of our first response.

After reviewing the draft proposals, the Parish Council welcome the news that no changes have been recommended to the Binfield boundaries, both external, internal warding arrangements, councillor numbers or ward names.

The proposal for Binfield Parish to remain unchanged maintains the identity and interests of the community as well as the Parish Councils effectiveness as part of local government.

The Parish Council does not see any benefit in combining Binfield and Warfield parishes. Both parishes are already large parishes with strategic housing growth and their own distinct identities.
