

12th August 2022

Dear Sirs,

## **Community Governance Review Draft Recommendations Bracknell Forest Parish and Town Councils**

### **Stage 2 Draft Recommendation**

#### **Edgbarrow Cottage**

We were pleased to note the draft recommendation in para. 5.23 of the BFC Boundary Review Working Group's report .." To move the external boundary to the south and east to incorporate Edgbarrow Cottage into Crowthorne Parish and to make minor external changes where they interact with Sandhurst Town Council and Winkfield Parish Councils to better define the separation between the parish areas"...

We would like to thank the Working Group for recognising the evidence provided to make this change to better reflect householder identity and interests.

We would be grateful if the Working Party takes this recommendation forward in their final report to the LGBCE for permission to make the necessary area change to the borough boundary.

Yours Sincerely,
