Comm Gov review stage 2 consultation:

As currently written:

**Gough's Lane and Enborne Gardens**

2.10 The majority of dwellings in Gough's Lane and located in Warfield Parish. Enborne Gardens is accessed from Gough's Lane. The proposal of the parish council would see all the properties in Gough's Lane and Enborne Gardens move into the parish.

2.11 The parish council believe this will deliver more consistent local government representation in the area as issues arising in the area are usually reported to Warfield Parish Council.

2.12 A check of the proposed boundary changes at parliamentary level does not suggest any issues but would result in a minor change at borough ward level

**Suggest adding Lynwood Chase and associated Cul de Sacs (eg Dene Close, Bloomfield Drive, Candleford Close, Avon Grove): the same issues that apply for Enbourne Gardens and Gough's Lane apply to Lynwood Chase and Cul de Sacs: more closely related in issues to Warfield.**

**It would be more logical to have the Warfield Road and Holly Spring Lane as the Boundaries, not what is shown.**

Thanks,
