Good afternoon,

Our comments on the above review are that we feel that Bracknell Town/Warfield Parish boundary should be amended so that the Lynwood Chase area comes under Warfield Parish Council rather than Bracknell town Council. Instead of the boundary going up the middle of Holly spring Lane and then down Goughs Lane, if it continued up to the Warfield Road, and then went down that road until it met the present boundary, this would have the desired effect. We have always felt that the Lynwood Chase area being in Bullbrook did not make sense, this small change would solve that.

Kind regards,
