Thanks Phil. The below comment has been provided by STC –

We are agreed that our existing comments to maintain 4 wards of 6 councillors is unchanged.

Hi Ang

I'm sorry to hear. Hope everything is OK.

Sandhurst was unaffected by any of the additional proposals that we issued a few weeks ago so nothing to worry about there.

Any response around the draft recs would just be based on what was published at the start of the consultation. There wasn't really much change for Sandhurst other than some northern boundaries between you and Crowthorne and the swap around of the councillor you had suggested at stage 1.

Hope that makes sense but, give me a shout if you need anything further.

Thanks

Phil

Hi Phil

As you are aware I have been away on holiday, this was followed by an unfortunate time spent at the hospital with my son so I apologise for the delay in getting back to you.

Please could you clarify that as there is no mention of Sandhurst on the link document that it is being proposed to remain the same?

I have asked Cllrs for any comments they may have.

Thanks  
Ang

Hello all

As we enter the final weeks of the CGR consultation I'm just getting in touch one last time to offer an informal chat if needed around this final stage of this part of the review.

In order to help the working group conclude their deliberations it would be especially helpful if you could provide comments on the draft recommendations, even if it is just to confirm that you are happy with what has been proposed. This will help make sure we don't inadvertently change something that has (unannounced) support.

Let me know if you need anything further.

Thanks

Phil
