

User evidence form for claimed public right of way

Guidance notes – please read.

1. Please use this form to give us your evidence of use of any public right of way in Bracknell Forest that's not recorded on the [Definitive Map and Statement](#), but is claimed to exist; or any route for which a public right of way is claimed to be recorded incorrectly (e.g. type or position).
2. Please complete all sections of the form, answering the questions as fully as possible. Do not keep back any information as all evidence is of real value in establishing the status of a right of way. If you cannot remember any details, please write that you cannot remember.
When considering a Definitive Map claim we will take into account all relevant evidence available, including completed user evidence forms. If we make an order to modify the Definitive Map, and the order is subject to objections, the evidence will also be examined by an Inspector on behalf of the Secretary of State.
3. If completing the form by hand, please use BLOCK CAPITALS for the section about your personal details.
4. You will need to complete a separate form for each claim you're submitting evidence for.
5. The information provided will only be processed for the purpose of determining the Definitive Map claim and for no other purpose. In some cases, we will be legally required to allow other persons to have access to completed forms and documents relating to a Definitive Map claim. This means that your personal details could become accessible to the public.
We are committed to protecting your personal data and ensuring that it is processed fairly and lawfully. Information you provide to us will be processed in accordance with the General Data Protection Regulations, The Data Protection Act 2018 and subsequent legislation. The basis on which we process your information is in accordance with the legal obligation under the Wildlife and Countryside Act 1981. See our [privacy notice](#).
6. Please send your completed form to us by email or post. If you have been provided with this form by someone who is preparing a Definitive Map claim, please return any completed form to them.
