

# Reasons for Refusal

## School Admissions, September 2024

If we have not been able to offer your child a place at your preferred school, this is because there were more applications for the school than there were available places and not all requests for places could be met.

Places were allocated in line with the admissions criteria published by the relevant admission authority and your application was not ranked high enough to obtain a place. If you listed own admissions authority schools (e.g., voluntary aided or academy schools) on your application and this school was listed higher than the school offered, then the trust or the governors of the school were unable to offer a place to your child as your application was not ranked high enough against their admissions criteria.

If you have been refused a school place at a school within another local authority (LA) you should refer to the relevant LA for information regarding refusal.

**For late applicants:** If we have not been able to offer your child a place at your preferred school, this is because the school has reached its admissions number (the maximum number of children that can be admitted to the year group for September 2024) from the initial round of admissions.

### Reason for refusal

There are two different grounds for refusing a school place. The ground for refusal will depend on the school that you have applied for, the school's admission number and the class organisation.

### Infant Class Size Grounds

Admissions authorities within Bracknell Forest fully recognise the need to meet parental preference wherever possible. However, the relevant year group within the school is currently full and the law states that for Key Stage 1 pupils, this is those children in Reception, Year 1 and Year 2, cannot be taught in classes of more than 30 pupils to one fully qualified teacher. Therefore, a place has not been offered because to do so would be in breach of the duty to comply with the infant class size limit which is set at 30. The application has therefore been refused.

Infant Class Size Grounds applies to years Reception, Year 1 and Year 2 at schools where the admission number is a multiple of 30. A list of Bracknell Forest schools where this applies can be found below.

There are very limited circumstances where an application can be considered as an 'excepted pupil' application. Where this is the case they may still be refused a school place however; this refusal will be under Ordinary Prejudice Grounds.

### Ordinary Prejudice Grounds

Admissions authorities within Bracknell Forest fully recognise the need to meet parental preference wherever possible. However, the relevant year group within the school is currently full and the point has been reached where considerations of parental preference have become outweighed by the adverse financial and accommodation consequences of admitting further pupils over the admission number. It would place pressure on staff and existing pupils and have an impact on successful teaching and learning. It will prejudice the provision of efficient education and the efficient use of resources in terms of Section 86(3) of the School Standards & Framework Act 1998. Therefore, it is not possible to accede to parental preference in this case and the application has been refused.

Ordinary Prejudice Grounds applies to all school year groups from Year 3 and above. It also applies to years Reception, Year 1 and Year 2 where a schools admission number is not a multiple of 30 or, if an 'excepted pupil' has been refused a school place.
