

Allocation breakdown for admission to secondary school, September 2024

Sandhurst School

The following information is based on the initial allocation on 1 March 2024 of applications received by the deadline of 31 October 2023. This information provides you with a statement on how places were allocated in line with the published admission arrangements.

Places have been allocated using an equal preference scheme. This is where the criteria are applied equally to all preferences. If we were able to offer the applicant more than one of their preferences, then we will have offered their highest ranked preference.

Where there are an equal number of applications in one category then radial distance from the applicant’s home address to the school has been used to separate applications.

For further information regarding how places are allocated please see, [The Guide to Secondary Education 2024/25](#)

The admission arrangements for the school can also be found within The Guide.

National Offer Day: 01 March 2024

SANDHURST SCHOOL
