

BRACKNELL FOREST LIBRARIES – THERMAL IMAGING CAMERA

Crowthorne Library, in association with Crowthorne Parish Council & CROW, have a thermal imaging camera available for loan to Library members.
It is and shall remain property of Crowthorne Parish Council.

Loan period, reservation charges and overdue fines

Camera can be loaned for a maximum of 2 days

Camera can not be renewed if there is an active reservation

Camera can only be renewed for 1 day (where renewal is permitted)

If returned after the loan period of 2 days a 60p per day overdue charge will be charged

If you wish to reserve the camera a 90p reservation fee will be charged

Damage or loss of camera

Camera must be returned with any accessories provided and need to be checked by library staff before being signed off. If any damage or loss is identified, customers may be liable to the following charges:

Damage/loss of a cable/chargers/accessories - £10

Damage/loss of the camera - £150

Your data/images on the camera

Any data stored will be erased when the camera is returned.

Bracknell Forest Libraries are not responsible for any loss of data from the equipment.

How to use the camera

When you borrow the camera, you will be provided with manual. The manual will explain how to use the camera.

Please give us feedback

After returning the camera, please complete a feedback form so we can learn about their ease of use and helpfulness.

Camera loan declaration

I agree to abide by the specific terms and conditions of the Bracknell Forest Libraries camera loan scheme as follows and I understand that:

I understand that this camera is for my personal use only, and I will not borrow it on behalf of someone else or lend it to someone else. It can be used by the borrower only.

I will return the camera in good conditions and with all the cables, chargers and accessories provided by the due date.

I will report any loss or damage truthfully and in full.

I will take good care of the camera. I won't misuse it, expose it to extremes of temperature, humidity or dirt and I will store it in a secure place all the times, taking reasonable steps to prevent its loss or theft.

I will charge the batteries during the loan period using the charger provided. If I return the equipment later than the due date, I will incur fines.

I understand that I must connect to the Wi-Fi for connecting to the internet, when available.

I understand all the data/images I stored on the camera will be erased once I return the camera. It is my responsibility to save them to a suitable medium beforehand.
I understand that Bracknell Forest is not responsible for corruption or loss of data/images in case the camera is malfunctioning.
If the camera or any accessories are damaged, lost or stolen when on loan to me I will be responsible for refunding the current repair or replacement cost (see above).
