KEY TERMS

ACADEMIES

Academies are publicly funded independent schools.

They still have to follow the same rules on admissions, special educational needs and exclusions as other state schools. Academies get money direct from the government, not the LA. They are run by an academy trust which employs the staff. Some academies have sponsors such as a business, universities, other schools, faith groups or voluntary groups. Sponsors are responsible for improving the performance of their schools.

They don't have to follow the national curriculum and can set their own term dates.

ADMISSION CRITERIA / OVERSUBSCRIPTION CRITERIA

When a school has more applications than places, applications are matched against a list of criteria and ranked accordingly. These criteria are agreed by the LA for community schools. For voluntary aided schools, academies, and foundation schools it is set by the relevant admission authority.

CE

LA

Local Authority. A local authority is an organisation that is officially responsible for all the public services and facilities in a particular area. Bracknell Forest Council is the LA for Bracknell Forest. When reference is made to a home local authority, this is the local authority for the address in which the child is habitually resident.

LAC (LOOKED AFTER CHILDREN)

A Looked After Child is a child who is in the care of the local authority in England or being provided with accommodation by the local authority in the exercise of their social services functions at the time of making an application to school.

This also includes all previously Looked After Children. A previously Looked after child is a child who was looked after but ceased to be so because they were adopted (or became subject to a child arrangement order or special guardianship order) *immediately following having been looked after*. This further includes those children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted.

Further information regarding the Looked After child criterion can be found within a school's admission arrangements.

LINKED SCHOOL

A specific school which links to another.

King's Academy Binfield is the only school within Bracknell Forest to have a linked school criterion, and their admission arrangements will define what is meant by this criterion.

It is important to note that linked schools are not the same as feeder schools. There are no schools within Bracknell Forest which use a feeder school criterion.

The admission arrangements for each school will determine their own definition of a sibling.

Siblings within Year 11 or a school's Sixth Form of a school will generally not be considered as a sibling at a Bracknell Forest school unless the admission arrangements for the school specify otherwise.

SEN

FOREWORD

Dear Parent/ Carers

Moving to a new school is a big milestone in your child's life and it is important that the transition goes well. It is for that reason that I recommend you and your child see the provision that is available in Bracknell Forest secondary schools. I would urge you to visit our schools and to talk with the headteachers and teaching staff about the work that they do and the opportunities available for your child. I know that they will be pleased to provide you with any detailed information about the school that you may require.

Please read this Guide carefully before you decide on your preferred school(s) This Guide has been published to help you understand the application process for your child to transfer from primary to secondary school and includes important information about the admissions procedure for entry to secondary school for September 2026.

Within this Guide you will find details of local schools, how to make an application and how your application will be dealt with. If you have any further questions The School Admissions Team will be pleased to assist you.

Bracknell Forest is known as the 'Borough of Opportunity'. The Local Authority has invested in our schools, many have had building work to improve facilities, and we are pleased that standards have risen year on year. They are all exciting places to learn and offer a wide range of opportunities.

We are committed to continuing to improve outcomes for children and young people and we work in partnership with schools and the local community in Bracknell Forest.

Year 6 is an important one for your child. It marks the end of their time at primary school and the next stage of their education. I wish your child every success and a smooth transition to secondary school.

Duane Chappell
Assistant Director
Education and Learning
People Directorate
Bracknell Forest Council

STARTING SECONDARY SCHOOL

Children change from primary school to secondary school at the end of Year 6 (age 10+). If your child reaches the age of 11 on or between 1 September 2014 to 31 August 2015, they will start secondary school in September 2026.

We expect schools in Bracknell Forest to be at the heart of their local communities. The vast majority of local secondary aged children will attend their designated area school.

However, it is important to remember that when applying for a secondary school place that you are listing a preference, and that not all preferences can be met. School Admissions can never guarantee a school place at any school, regardless of the criteria in which you fulfil.

There are sufficient places within Bracknell Forest to accommodate all our residents, together with some from the neighbouring authorities. For a variety of reasons, some of our schools are more popular than others and over the years, we have seen oversubscription in many of our schools.

TYPES OF SCHOOLS – WITHIN BRACKNELL FOREST

All of the secondary schools in Bracknell Forest are comprehensive schools. This means that they cater for children of all abilities. There are 7 schools conveniently located throughout Bracknell Forest.

One of these schools is a community school.

- Garth Hill College

Six of these schools are academy schools.

- Edgbarrow School
- *King's Academy Binfield
- King's Academy Easthampstead Park
- Ranelagh Church of England Academy School
- Sandhurst School
- The Brakenhale School

If you are applying for an academy school this must be named as a preference on your application.

The over subscription criteria for all Bracknell Forest schools are published within this Guide.

****King's Academy Binfield***

King's Academy Binfield is a through school, catering for children age 3-18. As a through school children currently attending Year 6 within the primary phase of the school will be able to automatically transfer to Year 7 from September 2026.

Children currently attending Year 6 at the school will not need to apply for a secondary school place should they wish to continue their child's education at King's Academy Binfield.

Should their child leave King's Academy Binfield at any time prior to transferring to Year 7, then they will lose their right to automatically transfer to Year 7, and the normal secondary application process will need to be followed, even if they still wish for their child to be considered for a place at King's Academy Binfield for Year 7.

Should they wish to apply for other secondary schools then they will need to complete an application with their home local authority which will be processed as per the published admissions process. For Bracknell Forest residents, all details on how to apply for a school place, things to consider and the published admissions arrangements for our schools can be found within this Guide.

SPECIAL NEEDS SCHOOLS IN BRACKNELL FOREST

In addition, Kennel Lane School is a day special school for children aged two to nineteen who have moderate to severe learning difficulties. Admission to Kennel Lane School is arranged through the Special Educational Needs department within the People Directorate at The Council and cannot be named as a preference on the application to School Admissions.

INDEPENDENT SCHOOLS

If you require details of Independent Schools, you should contact the school directly or the Independent Schools Council (ISC). The School Admissions Team is not able to provide any information on these schools, and they cannot be named on your application to School Admissions. We would advise contacting these schools directly regarding admissions.

www.isc.co.uk

If you are only applying for independent/ private schools or obtain a school place at an independent/ private school, you must inform the School Admissions Team of the arrangements you have made for your child's education. Failure to do so may result in your details being passed to Education Welfare.

FURTHER INFORMATION ON SCHOOLS WITHIN BRACKNELL FOREST

This Guide is intended to prepare and inform you of the admissions procedure for entry to secondary school and contains only the basic information about the secondary schools within Bracknell Forest. You should contact schools directly for further school-based information or copies of their prospectus.

NON- BRACKNELL FOREST SCHOOLS

If you are considering a state funded, non-Bracknell Forest school as a preference, then this school must be named as a preference on your application.

The application information will be passed on to the relevant LA for that school by the Bracknell Forest School Admissions Team. The co-ordinated scheme means that all state funded schools must be recorded on the application as a preference even if they are outside Bracknell Forest, this includes grammar schools.

The over subscription criteria for these schools will be published either on the school's websites or the website for the LA in which the school is situated.

Types of schools will vary from borough to borough. To ensure you understand the admissions process for the school(s) in which you are applying for you should ensure you have read their admission arrangements.

SELECTIVE / GRAMMAR SCHOOLS

There are no selective/grammar schools within Bracknell Forest and none of the schools within the borough require entrance exams as a form of entry to the school. All schools within Bracknell Forest meet the needs of all ability ranges.

There are, however, selective/grammar schools in other local authorities. If you wish to consider applying for your child to attend a selective school, you should talk to your child's current headteacher about this in the first instance.

Selective/ grammar schools are commonly applied for by Bracknell Forest residents, and if you are considering a school which uses selection by aptitude as an admissions criterion then you should refer to information provided below as well as that provided by the relevant admissions authority.

To apply for a selective/grammar school your child will be required to sit an entrance exam. You must contact the grammar school(s) to ensure that you have all the necessary information and find out the closing date to register your child for the entrance exams.

These exams are usually held before the LAs admissions process opens and you would normally receive your child's results before the National Closing Date. This allows time for parents/ carers to amend their applications prior to the National Closing Date, should this be required.

You should consider very carefully your preferences and look to name a local non-selective school as your final preference in order to increase your opportunity of obtaining a school place at one of your preferred schools.

You must list any selective/grammar school(s) you wish to apply for on your application with the LA. If you receive your child's results before the National Closing Date and then wish to amend your application this must be done by amending your online application via the Citizens Portal (please see page 28). If an applicant who has applied for a Grammar School has submitted a paper application form and wish to amend the application, then a new, revised form will need to be submitted to School Admissions before the National Closing Date. If you receive your results after the National Closing Date, you should contact School Admissions for further advice.

Please note requests for amendments after the National Closing Date will be refused and will only be considered under exceptional circumstances. Even so, it may be too late within the admission process for School Admission to accept amendments regardless of the circumstances of the case.

It is important to note that:

- No free transport is provided to grammar schools. (See page 39 onwards for further details)
- An application for a grammar school is incomplete if it is not named on your application.
- It is the parent's responsibility to ensure they have researched the closing dates for the entrance exams.
- You can only list up to 3 preferences on your application to Bracknell Forest. Applying for grammar schools does not allow you more preferences than other applicants. Further advice regarding preferences can be found from page 26.

STATE BOARDING SCHOOLS

State boarding schools provide free education but charge fees for boarding. Most state boarding schools are academies, some are free schools, and some are run by local authorities.

Bracknell Forest do not have any state boarding schools, however there are state boarding schools outside of the borough, such as Gordons School situated in Surrey. If you are considering applying for a state boarding school, specifically a boarding placement - then this must be indicated on your application. You must also contact the school(s) to ensure that you have all the necessary information needed prior to making your application.

UNDERSTANDING THE APPLICATION PROCESS

You do not have the right to 'choose' which school your child will attend but you do have the right to express a preference. The ability to meet your preference will depend not only on the demand for places at an individual school but also on the total number of places available. If a school is over-subscribed, by that we mean that there are more applicants than places, the admissions criteria will be used to determine which pupils will be offered a place. The admission arrangements, containing the criteria, for each Bracknell Forest school is set out on page 57 onwards.

If you wish to name any other school outside of Bracknell Forest as a preference on your application, you should contact the relevant admission authority directly to obtain a copy of their admission arrangements.

CO-ORDINATED ADMISSION SCHEME

In line with government requirements, Bracknell Forest operates a co-ordinated admissions scheme for starting secondary school (admission to Year 7 for September 2026). This scheme requires formal cooperation and sharing of information between each LA and all the admission authorities within that LA (e.g., academies, voluntary aided, voluntary controlled and community schools). Each of these admission authorities will have agreed the co-ordinated scheme between them. There will also be close liaison between neighbouring LAs and admission authorities.

Within Bracknell Forest parents/ carers can list up to three preferences on their application and to give reasons for each preference. Information that parents/carers give on their application will be shared with other LAs, admission authorities, schools, and government agencies where necessary.

The co-ordinated admission scheme does not affect the duty of own admission authority schools to set and apply their admission arrangements. The scheme is an administrative arrangement to make school admissions easier, more transparent, and less stressful for parents/ carers. Own admission authority schools will continue to operate their own over-subscription criteria.

Bracknell Forests Co-ordinated Admissions Scheme has been drawn up to fulfil the requirements set out in the School Admissions Code, published by the DfE. The Co-ordinated Scheme fully complies with the School Admissions Code.

EQUAL PREFERENCE SCHEME

The DfE states that a co-ordinated scheme is based on equal preferences. In other words, all preferences are treated as equal initially.

This system allows each preference that parents/carers give to be considered separately. (i.e., when admission authorities rank all applications received for a school, in the order of criteria - to decide who places can be offered to, the preference number you have listed that school will not be known or taken into account).

The order of your preferences is only considered by the LA alone. This is considered if more than one place can be offered. (i.e., if multiple schools can offer your child a school place following the admission authorities ranking, a single offer will be made by the LA for the school the parent/carer has ranked highest on their application)

If a place cannot be offered at any of the preference schools, then the LA will offer an alternative school place at the next nearest school with available spaces.

ADMISSION ARRANGEMENTS

Admission arrangements are the arrangements set for processing the admission of pupils to schools, including the criteria for prioritising the applications for oversubscribed schools. Admission arrangements provide the overall procedure, practices, and criteria to be used by the admission authority in deciding on which applicants are offered a school place.

The admission arrangements for Bracknell Forest schools can be found from page 57.

It is your responsibility to ensure you have appropriately researched your preferred schools, to ensure you are aware of their admission arrangements, to indicate on your application the criterion in which you wish to be considered under and to submit completed additional forms that may be required - as per a school(s) admission arrangements.

If you are applying for schools outside of Bracknell Forest you should contact the relevant admissions authority directly for this information.

WHO TO APPLY TO

You must apply to your home LA, (the council you pay your council tax to). You can apply either online or by using a paper application form. You must name any school you wish to apply for regardless of which LA it is situated within. You can only make one application e.g., if you live within Bracknell Forest but want to apply for a school in Windsor & Maidenhead you must name the school within Windsor & Maidenhead on your application form to Bracknell Forest.

This means if you are a Bracknell Forest resident you will need to apply to Bracknell Forest and must name any school that you wish to apply for even if it is within another LA. You cannot however, list independent/ private schools on your application form. These are fee paying schools and you must apply to the school directly.

You cannot apply for special schools on your application. Special schools are for children and young people who have a significant barrier to learning, possibly with other challenges and diagnoses. A parent can only request a place at a special school or specialist college if they have an Education, Health and Care Plan (EHCP) to which any application for school would be processed by the Special Educational Needs (SEN) department.

You cannot apply direct to other local authorities or schools, and other LA residents cannot apply directly to Bracknell Forest for schools within the borough. If you do so, your application will be discarded, and you will be informed to apply to your home LA.

WHEN TO APPLY

If your child's date of birth is on or between **1 September 2014 and 31 August 2015** you should refer to the table below. If your child's date of birth is not on or between these dates, please visit our website for further information on when and how to apply for a school place. [School admissions - where to start | Bracknell Forest Council \(bracknell-forest.gov.uk\)](https://www.bracknell-forest.gov.uk/school-admissions-where-to-start/)

Open for applications	National Closing Date	National Offer Day	Deadline to respond to offer
12 September 2025	31 October 2025	02 March 2026	16 March 2026

HOME ADDRESS

The address at which your child lives is important when an admission authority decides who they can offer places to. The address on the application should be that of the parent/ carer who the child is habitually resident with. Admission authorities are unable to use the address of an individual's childcare arrangements or consider childcare arrangements when allocating school places.

The address where the child lives as of the National Closing Date will be the address used to process their on time application. All addresses will be checked via the Revenue Services (Council Tax) department by the School Admissions Team. If any discrepancies are found, the School Admissions Team will request proof of address.

PROOF OF ADDRESS

Only the following documents are accepted for proof of address:

- a copy of your current council tax notice.
- a copy of your solicitor's confirmation that completion has taken place.
- a copy of your current rental or tenancy agreement - signed by yourself and your landlord.

Wherever possible all documents should be uploaded to your online application via the Citizens Portal. Alternatively, you can scan or take a clear readable photograph and email supporting documentation to the School Admissions Team.

Original documents should not be sent. If original documents are sent, the council is not responsible for their safe return.

UNABLE TO PROVIDE PROOF OF ADDRESS.

Should you be unable to provide any of the above proof, you have split residency of your child, or you have alternative living arrangements then you should contact the School Admissions Team for further advice in the first instance. The circumstances of each case will be considered, and further evidence or supplementary forms may be requested by the School Admissions Team in order to verify the address in which you state your child is living.

The School Admissions Team or an admission authority may request additional proof regarding your address at any time and may visit you. This is to try and prevent fraudulent addresses being used. Random checks are also done on all applications to verify home addresses.

SPLIT RESIDENCY

It is the parent/ carer responsibility to provide information regarding the child's living arrangements to the School Admissions Team at the time of application.

Although any parent/ carer has a right to make an application, only one application can be processed for a child, and only one address can be used to process this application.

For children whose residency is split between the addresses of their parents/ carers (therefore they live between two addresses). The address used on the application will be the address in which the child spends the most school nights. The parent/ carer making the application should be that of the address the child spends most school nights.

The second parent/ carer will not receive any information or letters relating to the application. This information must be distributed by the parent/ carer making the application.

The School Admissions Team or an admission authority may obtain legal advice on a case-by-case basis.

TEMPORARY ADDRESSES

The address used on an application must be a permanent address; temporary addresses can only be considered in exceptional circumstances. The applicant will be required to provide evidence of a genuine reason for the temporary address, and these will be reviewed on a case-by-case basis.

MULTIPLE PROPERTIES

If a parent/carer owns a property within the Borough which they do not occupy and/or rent out and then move into another property within the designated area or nearer to a preferred school, then it is for the applicant to provide sufficient evidence to satisfy the school admissions team/ the admission authority that the new address is that of the property in which they reside in, to allow that address to be used for their application and/or determine any relevant criteria.

If an applicant already owns and resides in a property which is in the process of being sold, Bracknell Forest is able to consider the address of the new property on submission of:

- a solicitor's letter showing completion has taken place of sale for the old property and,
- a solicitor's letter showing completion has taken place on the new property. Or,
- Current rental agreement, signed by yourself and the Landlord for the new property.

It is for the applicant to provide sufficient evidence to satisfy the school admissions team/ the admission authority that the new address is that of the property where the child resides.

FINAL DECISIONS RELATING TO HOME ADDRESS

Should School Admissions require further evidence to verify the address used on your application, it is for the applicant to provide sufficient evidence to satisfy the School Admissions Team and/or the relevant admission authority that the address is that of the property where the child resides.

School Admissions will verify all addresses for Bracknell Forest applicants and carry out checks for non-Bracknell Forest residents applying for Bracknell Forest Schools. This is done on behalf of all admission authorities. School Admissions may request further evidence at any time. Should The School Admissions Team be unsatisfied, and therefore unable to verify the address in which you state your child to be living then all information gathered will be passed to the relevant admission authority and the final decision regarding the home address used/ how your application is processed without a verified address will be determined by the relevant admission authority. This decision is final and cannot be appealed.

MOVING APPLICANTS

If you are moving into or within Bracknell Forest, it is your responsibility to inform the School Admissions Team of your child's new address alongside proof of address as detailed in the 'Home Address' section above. The School Admissions Team will then advise you further on how and when your address will be updated for your application. Please refer to Key Dates. If you move between the National Closing Date and 18 November 2025 you should contact the School Admissions Team who will be able to give you further advice regarding your application.

The 18 November 2025 is the deadline for accepting on time applications for applicants moving into the borough, or for the applicants moving within the borough to update their address with School Admissions on their on-time application. Any address update received after this date will not be considered until the second round of admissions.

It is important to note, that if you list preferences for schools outside of Bracknell Forest, there is no guarantee that the relevant LA for that school will accept the application for this preference as on-time. Deadlines for accepting

applications/preferences for moving applicants varies between LAs and you should research these dates this before you apply.

If you have made an on-time application with your previous home LA for Bracknell Forest schools, then the School Admissions Team will only take over responsibility of the application and update the address if the required proof of address is received by 18 November 2024. If this is received after this date the School Admissions Team will not take over the application or change the address until the second round of admissions. Your application will, however, be processed under your current address for the initial round of admissions.

Moving out of Bracknell Forest - If you are moving out of the borough, then you will be required to contact the School Admissions Team within the relevant LA that you are moving to for further advice. Deadlines and proof of address for moving applicants will vary between LAs.

MOVING APPLICANTS – SERVICE FAMILIES

Service families or families of UK service personnel with a confirmed posting to the Bracknell Forest area (or Crown Servants returning from overseas to live in Bracknell Forest) will be able to make an application for a school place directly to Bracknell Forest if it is accompanied by an official letter from the relevant service declaring a relocation date and a unit postal address, or quartering address.

The supporting documentation confirmed above must be provided to the School Admissions Team by 18 November 2025 for your application to be considered within the initial round of admissions. If this is received after this date the School Admissions Team will consider the application in the second round of admissions.

It is important to note, that if you list preferences for schools outside of Bracknell Forest, there is no guarantee that the relevant LA for that school will accept the application for this preference as on-time. Deadlines for accepting applications/preferences for moving applicants varies between LAs and you should research these dates this before you apply.

If you have made an on-time application with your previous home LA for Bracknell Forest schools, then the School Admissions Team will only take over responsibility of the application and update the address if the required supporting documentation is received by 18 November 2025. If this is received after this date the School Admissions Team will not take over the application and change the address until the second round of admissions. Your application will, however, be processed under your current address for the initial round of admissions.

Service Families moving out of Bracknell Forest - Service families or UK service personnel who are being posted or are moving out of the area should apply through Bracknell Forest for their preferred schools in the first instance. They should also contact the relevant LA that they are being moving to for further information on what proof is required to use the new address on their application. Proof of address and deadlines for moving applicants will vary between LAs.

Once the relevant LA has everything, they require they may liaise with Bracknell Forest to take over your application and update your address.

MOVING APPLICANTS – FROM ABROAD

Applicants from abroad who intend to move or return to the UK and reside in the borough can make an application for their child prior to their move.

The address where the child resides as of the closing date for applications will be the address used to process the application. You will not be able to use a UK address if you are not living within the property.

Once your family (including the child whom the application is for) have moved to the UK, and provided proof of address within the borough, the application can be updated in line with the information provided under 'Moving Applicants' detailed above.

Right to Abode - It is the parent/carers responsibility to ensure that they have the right to abode and that the conditions of their visa permit them to access a state funded school. By submitting your application form to the LA, you are agreeing that you as the responsible parent/ carer for the child have checked that your child's visa is complies with the above.

Once an offer has been made and accepted it is important to note that should your child not start at the school at the beginning of the Autumn term (from September 2026), then the school place offered will be withdrawn.

FRAUD

Regrettably it has been necessary for the School Admissions Team to withdraw offers of school places in the past where it is evident that a false address or information has been used. In the interests of all applicants, we reserve the right to reject or withdraw applications that we discover to be fraudulent.

If fraud is suspected, then further proof may be requested. If fraud is established, then how the admission authority chooses to process your application is final. If fraud is established after National Offer Day and a school place has been obtained as a result of a fraudulent application, then any offer of a school place will be withdrawn.

Applications in which fraud has been established will be considered afresh.

ADMISSION OUT OF CHRONOLOGICAL YEAR GROUP

Moving to secondary school a year early or a year late is only possible in very exceptional circumstances and only when it can clearly be seen to be in the child's best interest. Each case is considered individually, and the LA will consult all relevant admission authorities involved. It is important, therefore, that if you are considering an early or late transfer you should discuss the situation as soon as possible with your child's current Headteacher and contact The School Admissions Team to discuss the process. The admissions authorities' decision on these matters is final.

For further advice please contact the School Admissions Team.

If your child has previously been admitted out of their chronological year group

You will need to make a request to be admitted out of chronological year group for your child's transition to secondary school, please see our website for further information regarding this process or contact School Admissions if you are unable to access this.

[Admission outside of chronological year group | Bracknell Forest Council \(bracknell-forest.gov.uk\)](https://bracknell-forest.gov.uk)

MULTIPLE BIRTHS

Where the LA has received applications for twins or other multiple births and when one of the siblings is the last child to be admitted under the oversubscription criteria, the other sibling(s) may be admitted as an exception. It is therefore important that you indicated that your child is of multiple birth on your application.

EHCP (EDUCATION HEALTH AND CARE PLAN)

If your child has an Education, Health and Care (EHC) plan then their future placement must be considered as part of the statutory assessment process or as part of the annual review of their plan.

The SEN Team is responsible for coordinating your school preference and arranging school placement in these circumstances and would have already been in contact with you about this.

You do not need to complete the admission form that is provided via The School Admissions Team.

If you have not received any information regarding from the SEN Team, then please contact them using the details below.

Special Educational Needs Team: 01344 354039

sen.education@bracknell-forest.gov.uk

CHILDREN WITHOUT AN EHCP, CURRENTLY UNDER ASSESSMENT

Parents/ carers with children who are currently under assessment for an EHCP must still apply through the School Admissions Team for a primary school place.

If an EHCP is obtained throughout the admissions process, then the SEN (Special Educational Needs) department; of your home LA, will take over the responsibility of coordinating your school preference and arranging school placement.

If an EHCP is not obtained throughout the admissions process, then the School Admissions Team will process your application under the criterion the application fulfils and offer a school place in accordance with the school's admission arrangements and the LA's co-ordinated admissions scheme.

CHILDREN WITH (SEN) SPECIAL EDUCATIONAL NEEDS

If your child has SEN needs without an EHCP then you must still apply through the School Admissions Team for a school place. Places will be allocated in line with each school's admission arrangements.

Once a school place has been offered, parents can contact the schools SENCO to discuss their child's individual needs.

CRITERIA

LAC (Looked After Children)

Parent/ carers or LAs applying on behalf of a child who is either a Looked After Child or a Previously Looked After Child can request for the Looked After Child criterion to be applied to their application.

All admissions authorities must use LAC as an admission criterion, and you should refer to the relevant admission arrangements for your preferred school(s) for their definitions regarding LAC.

If a parent/ carer or LA (where relevant) wishes to apply under this criterion it is their responsibility to ensure that all relevant paperwork is submitted with the application. Should an applicant not submit any relevant documentation with their application it will be assumed that they do not wish these circumstances to be taken in to account and their application will be processed using any other relevant criteria.

Social / Medical

Some admission authorities may use social or medical grounds as an oversubscription criterion. Their admission arrangements will define what is meant by social or medical grounds and give clear details about what supporting documentation or evidence may be required in order to consider an application under social or medical grounds.

Any supporting documentation or evidence must be submitted by The National Closing Date for on-time applicants or alongside the application for late applicants.

The social or medical criterion will only be considered if the relevant procedures have been followed (i.e., a supplementary social and medical form has been completed)

The criterion will only be applied if the admission authority agrees that your application meets this criterion.

For non-Bracknell Forest schools we advise that you contact the relevant admission authority or refer to the school's admission arrangements for further advice.

Staff

Some admission authorities may use staff criterion as an oversubscription criterion and their admission arrangements will define what is meant by the staff criterion.

Parents/ carers applying under this criterion must tick staff criterion on their online application via the Citizens Portal.

Paper applicants must clearly note they are applying under the staff criterion on their application form.

If your home local authority does not provide the option to tick this criterion on your online application when applying for a Bracknell Forest School, then you should contact the Bracknell Forest School Admissions Team for further advice.

The School Admissions Team will ask the relevant school to verify that your application meets this criterion, and the staff criterion will only be applied if the relevant school confirms this is the case.

Designated / Catchment Areas

Wherever you live in Bracknell Forest there is a 'designated' secondary school for your home address. Each school (with the exception of Ranelagh School, where different arrangements apply) has a 'designated area', sometimes known as a 'catchment area'.

A designated area is a clearly defined geographical area surrounding a school, a 'designated' school will not necessarily be the nearest school to your home address. You can check your designated area school for your home address on our website using the link below.

[Bracknell Forest School Admissions \(arcgis.com\)](https://www.braccknell-forest.gov.uk/school-admissions)

A map showing each schools designated area can be viewed from page 139 within this Guide or online at [Designated area maps | Bracknell Forest Council \(bracknell-forest.gov.uk\)](https://www.braccknell-forest.gov.uk/school-admissions)

The admission arrangements for most schools in Bracknell Forest give priority to children living within that area. The link between the school and the community is very important to us in Bracknell Forest and our admissions arrangements reflect this.

Some properties in Bracknell Forest lie within the 'designated area' for Charters School which is situated within The Royal Borough of Windsor and Maidenhead. Similarly, some properties in Wokingham Borough Council lie in the designated area for Edgbarrow School. District or borough boundaries do not affect the allocation of places at particular schools.

You are strongly advised to check which school designated area your house is within, using the Bracknell Forest website (linked above). Do not rely on estate agents, developers, or hearsay.

You are also advised to be particularly cautious about information on schools given when considering purchasing a property. Designated area boundaries do not always match parish boundaries or borough boundaries.

We cannot guarantee a place at any school within Bracknell Forest however, it is important to consider naming your designated area school as one of your three preferences. If School Admissions are unable to offer your preferred

school(s) you will not automatically be given a place at your designated area school. If you do not name your designated area school as a preference this may result in your child being offered a place at a school some distance from your home address.

The relevant admission authority will only apply the designated area criterion to your application if you fulfil this criterion. The designated area criterion is checked by the admission authority for the school.

It is important to note that should a school be oversubscribed, living within a school's designated area only gives a higher priority for a school place and we cannot guarantee admission to any school. Living within a designated area for a school does not give automatic admission to that school or mean that the school has a requirement to admit your child.

Sibling

Some admission authorities may use sibling as an oversubscription criterion and their admission arrangements will define what is meant by sibling.

Parents/ carers applying under this criterion must tick sibling on their online application via the Citizens Portal and provide the sibling's details.

Paper applicants must clearly confirm the sibling's details under the section where this is requested on the common application form.

The sibling criterion will only be given if this criterion (as defined within the relevant admissions arrangements) applies to your application.

Linked School

King's Academy Binfield is the only school within Bracknell Forest to have a linked school criterion, and their admission arrangements will define what is meant by this criterion.

This criterion will only be given if the criterion (as defined within the school's admission arrangements) applies to your application.

It is important to note that linked schools are not the same as feeder schools. There are no schools within Bracknell Forest which use a feeder school criterion.

Denominational / Faith

Some admission authorities may have a religious character and use faith as an oversubscription criterion. Their admission arrangements will define what is meant by this criterion and what supporting documentation or supplementary forms are required.

The criterion will only be considered by the admission authority if the relevant procedures within their admission arrangements have been followed (i.e., a supplementary form has been completed)

The criterion will only be applied if the admissions authority agrees that your application meets this criterion.

Ranelagh Church of England Academy School is the only secondary school within Bracknell Forest to have a faith-based criterion, and their admission arrangements will define what is meant by this criterion and what supplementary forms are required.

Other Criteria

The criteria noted above are those used by various schools within Bracknell Forest however, if you are applying for a non-Bracknell Forest school some admission authorities may use other criteria such as children eligible for pupil premium, selection by aptitude, feeder schools or distance. It is therefore important that you read the admission arrangements and all other relevant information published by the admission authority for your preferred schools.

PROTECTED SIBLING STATUS

Parents of children attending a school that was their designated area school at the time of processing the application but where the designated area has changed will have a protection for any younger siblings for the next six years.

The younger sibling's application will be processed as living in the designated area of the same school as the older sibling is attending even though the designated area has changed.

In order for this status to apply to your application:

- The older sibling must still be attending the school where the protected sibling status is being requested
- The child must still be living at the address within the original designated area from where the parents/carers applied for the older sibling.

If the sibling is no longer attending the school or address has changed then this status does not apply.

It is the parent/ carers responsibility to inform the School Admissions Team that they fulfil this status. Please see the school's admission arrangements for further advice. This information will only be applied to your application once verified by the School Admissions Team.

If this status applies to your application this does not guarantee a school place but means the designated area criteria will be applied to your application.

MAKING AN APPLICATION

BEFORE MAKING YOUR APPLICATION

Things to do

- Ensure you have researched and understood the admission arrangements and oversubscription criterion for the schools you are interested in.
- Obtain any supplementary information forms you may need for the schools you wish to apply for.
- Find out your designated area school by using our checker [Bracknell Forest School Admissions \(arcgis.com\)](https://arcgis.com)
- Make appointments to visit the schools you are interested in. Most schools will hold open days or evenings throughout the admissions process, and you should take the opportunity to attend these events. We would advise that you always visit your designated area school. Contact information for Bracknell Forest schools is provided within this Guide.
- Look at the websites of the different schools, obtain copies of school prospectuses and read the brochures that schools produce.
- Check allocation history of the schools you are applying for; last year's information for Bracknell Forest Schools is provided within this Guide. If this has not been provided, then it is likely that the school is their own admission authority or not a Bracknell Forest school and you should contact the relevant admission authority

directly for this information. Further historical data may also be requested from School Admissions or the admission authority directly.

- Check the PAN (Published Admissions Numbers) of your preferred schools. This is the maximum number of children the school can admit to the year group.
- If you are not naming your designated area school, you should research the way in which your child will travel to school and if this is cost sufficient.

Things to consider

- Think carefully about the order you place your preferences on your application.

If more than one offer can be made for schools you have named, the LA will offer to the highest preference possible according to the order you have placed them on your application. please refer to 'deciding on your preferences' which can be found below.

It is important to note that you cannot amend or change the order of your preferences after the National Closing Date. Please see section 'Amending your application after the National Closing Date on page 37.

- The likelihood of obtaining a school place at your preferred schools.

Although School Admissions cannot guarantee that you will or will not be offered a school place, school are becoming increasingly oversubscribed. You should check the criteria you fulfil for your preferred schools and use the allocation history and PANs to indicate if you would or would not have obtained a school place in previous years. This will give you an indication on the likelihood of you obtaining a school place. Please see further information 'deciding on your preferences' which can be found below.

- Any school place obtained does not guarantee admission for siblings.

Accepting a school place offered does not guarantee sibling's will also be offered the same school. Offers will be made in line with the relevant admission arrangements at the time of the sibling's application.

DECIDING YOUR PREFERENCES

We are committed to meeting your school preference wherever possible. However, places at secondary schools are limited. Each school has a maximum number of pupils that can be admitted each year, this is known as the PAN (Published Admission Number). Too many children being admitted to a particular school could lead to overcrowding or pressure on facilities and other resources. The limits that are set on numbers are designed to ensure that children receive an 'efficient and effective' education. You do not have a right to choose which school your child will attend but you do have the right to express a preference for a school. Our ability to satisfy your preference will depend not only on the demand for places at an individual school but also on the total number of places available. If a school is over-subscribed (there are more applicants than places), the admissions/oversubscription criteria, will be used to determine which pupils will be offered a place. Applications for all schools will be considered under the co-ordinated admissions scheme as equal preferences. This scheme allows each school named as a preference to be considered as if you have made up to three separate applications. However, you should rank your most preferred school highest as the LA will always offer to the highest preference where possible.

Although we are not able to guarantee a place at any school within Bracknell Forest it is important to consider naming your designated area school as one of your three preferences. If your child lives in Bracknell Forest and it is not possible to offer a place at any of your preferred schools the LA will offer a place at the next nearest school with available places (which may not necessarily be your designated area school) and may be some distance from your home.

The admissions criteria, published in each school's admission arrangements is used to determine whether an offer can be made to each of your preferences. If an offer can be made to more than one of your preferred schools, then the order in which you list the schools on your application will be taken into account. It is therefore very important that you carefully consider the order that you list the schools on your application.

If you do not name a school as a preference you will not automatically be considered for it. It is therefore advisable to think carefully about which schools you name on your application. If you want to be considered for a school, you must name it as a preference.

It is important to note that you cannot amend or change your preferences or the order your preferences are listed after the National Closing Date.

If any of your preferences are for a voluntary aided, voluntary controlled, academy, grammar or state funded schools outside of Bracknell Forest, then the school must be listed on your application.

Please refer to 'before making your application' on page 25.

OBTAINING SPECIFIC SCHOOL INFORMATION

- School Prospectuses

Every school produces a school prospectus. This prospectus will contain certain basic information about the school and the way in which it seeks to provide for its pupils. Prospectuses are available on the school's website.

- Performance Tables

Schools provide information about their own examination results in their individual prospectuses. In addition, the Secretary of State for Education will publish a comparative table of pupils' examination results in November. Copies are not available from the People Department or from individual schools but can be obtained from the DfE.

www.education.gov.uk

A school's examination results should not be seen in isolation.

- School Inspection Reports

Ofsted is headed the Chief Inspector of Schools and regularly inspects English maintained (state funded) schools. Certain other categories of schools are also inspected. Copies of the reports that are produced are sent to schools at the end of the inspection. A summary of the report must be sent to the parents of its pupils by the school, which must also make a full copy available on request. Copies of published reports are also available at www.ofsted.gov.uk. The Ofsted website also provides more information about the process of inspection.

It is important to note that a school's Ofsted is only a moment in time at the school, and they can often be dated. You should not base your decision on naming a school by the Ofsted report alone, we always advise that you visit the schools to get a better insight of the school.

SUSTAINABLE TRANSPORT

The information provided for 'SUSTAINABLE TRANSPORT' has been collated from the Transport Department within Bracknell Forest. If you have any queries regarding the information provided below, please contact the Education Transport Team. Their contact details can be found from page 39.

Bracknell Forest Council is committed to promoting sustainable travel to school. Primarily this means walking and cycling, but for longer distances includes bus and car sharing.

When you are thinking about schools you would like your child to attend, please consider the following:

Children who walk or cycle to school can be fitter, have better developed social skills, be more familiar with their surroundings, have better road safety awareness and arrive at school more relaxed and ready to learn.

Walking, cycling or using public transport offers children greater independence and flexibility – with pupils staying late at school for extra-curricular activities and sport, this flexibility (especially for older children) can be important.

Driving your child to school costs money. With fuel prices increasing at the moment this can add up to a significant amount per year.

If you choose a school that you will have to drive to, it can be a long-term commitment. Will you still want, or be able, to drive your child to school in five years' time?

If you do have to drive, where will you park, is it safe?

For more information, and help in planning a sustainable journey to a school, visit: [School travel advice | Bracknell Forest Council \(bracknell-forest.gov.uk\)](https://www.bracknell-forest.gov.uk/school-travel-advice)

You can also ask a school for a copy of their School Travel Plan.

Amending your application: If you wish to make an amendment to your application after you have submitted your application and before the National Closing Date, you can log back into your account via the Citizens Portal. You will need to ensure you re-submit your application after making any amendments.

Please note, by completing a paper application form you will not be able to view the offer of a school place online via the Citizens Portal. You will be required to wait for your outcome to be sent to you. School Admission will send your offer via email from 8am on National Offer Day.

Should School Admissions be unable to email your outcome letter to you then School Admissions will post your outcome letter on National Offer Day.

Amending your application: If you wish to make an amendment to your application after you have submitted your application and before the National Closing Date you will be required to submit another paper application form afresh by the National Closing Date for your amendment to be considered.

Submitting your application: You can email your completed application form to school.admissions@bracknell-forest.gov.uk or this can be posted to School Admissions. The postal address can be found at the bottom of the paper application form.

By submitting a paper application you will not receive an automatic response to say your application has been received. If you have completed a paper application form and this has been sent via email or post, we strongly advice that you contact School Admissions prior to the National Closing Date to ensure this has been received.

It is important that forms are returned by the National Closing Date, as any application received after the National Closing Date will be processed as late. Exceptions will be where it can reasonably be assumed that the form could not have been received by the closing date.

MULTIPLE APPLICATIONS SUBMITTED

You can only use one method of applying and only one application can be made for your child.

If you submit multiple applications, the latest submitted by the closing date will be used as your final application. This could also affect how you receive your offer.

Split Residency applicants - must also make one application for their child, and this should be completed by the parent whom the child spends most school nights with.

School Admissions will not get involved with family disputes. Initially School Admissions will contact both parties for parents to come to a mutual decision and further information may be requested.

If the parents are unable to come to a mutual decision regarding the application, then parents will need to seek legal advice from their solicitors.

School Admissions or admission authorities may also seek legal advice on such matters.

Depending on the circumstances of the case School Admissions may select to process the application submitted by the parent where it appears that the child spends most school nights or, refuse to process either application submitted for the child until a mutual decision is made or, a decision has been agreed via your solicitors or the court regarding the application.

SUPPORTING DOCUMENTS

Any supporting documents that you are providing for your application must be submitted directly to the relevant admission authority for the school.

For schools within Bracknell Forest. School Admissions will only forward documentation to the admission authorities' if it is a supplementary form (i.e., part of their admission arrangements).

For schools outside of Bracknell Forest School Admissions will not forward any supplementary information provided with your application to any other admission authority. It is your responsibility to ensure you have read the relevant admission arrangements and submitted any additional information required directly to that admission authority.

Birth Certificates - The School Admissions Team will need to verify your child's date of birth and ensure their name is correct for education records. In order to do this, you will be required to supply a copy of the child's birth certificate (this is the only proof of date of birth that will be accepted). You can either provide a copy when you submit your application, or it must be provided once the offer of a school place has been made. To send your supporting documentation to School Admissions, please see page 6 for our contact details.

Do not send birth certificates to schools or other local authorities. These must be submitted to School Admissions.

If your child's name has changed, please ensure you also provide the required documentation in relation to their name change. Further information regarding name changes can be found online.

EDUCATION TRANSPORT

The information provided for 'EDUCATION TRANSPORT' has been collated from the Transport Department within Bracknell Forest. If you have any queries regarding the information provided below, please contact the Education Transport Team. Their contact details are detailed within the information provide below.

Eligibility for school transport is determined by separate criteria and is not connected to a school's admission criteria. Parents should note that meeting a school's admission criterion does not automatically qualify their child for free transport.

Will my child be entitled to any assistance with transport to school?

If, when choosing your preferences for your child's secondary school, and you feel you may require education transport assistance, you are strongly advised to read the following information.

For pupils aged 11-16 years, transport will be considered where your child meets one of the following criteria:

- Attends the designated area school
- Attends the nearest qualifying school
- Is from a low income family

In all cases, with the exception of low income families, transport assistance would only be provided if your child lives more than three miles walking distance from the allocated school (this is termed the statutory walking distance). The measurement of statutory walking distances is not necessarily the shortest distance by road. It is measured by the shortest route along which a child, accompanied as necessary, may walk safely.

Few children in Bracknell Forest are entitled to free transport under this rule as most live within the statutory walking distance of their designated area/nearest school. Where children attend, through parental preference, a school other than their appropriate designated area school or nearest school (including denominational schools), then parents/carers are responsible for any transport costs/arrangements.

Children from low income families

The Government has extended the right to free transport provision for certain groups of disadvantaged children. Those covered by this extension are those who are entitled to benefits-based free school meals or those whose families are entitled to the maximum level of Working Tax Credit element of their Universal Credit award.

- All pupils who are of statutory school age, from low income families, who are attending one of their three nearest qualifying schools, which is more than two miles but less than six miles from their home address will be entitled to free transport provision – please see policy on the Bracknell Forest Website. [Education Travel Policy for Bracknell Forest children aged 5 to 16 \(bracknell-forest.gov.uk\)](https://www.bracknell-forest.gov.uk/education-travel-policy-for-bracknell-forest-children-aged-5-to-16)

All pupils who are of statutory school age, from low income families, attending the nearest suitable school preferred on grounds of religion or belief, where they live more than two miles, but not more than 15 miles from that school will be entitled to free transport provision.

Transport is no longer routinely provided to denominational schools unless they are from low income families (as above).

The LA will consider, on an individual basis, whether transport to a denominational school should be provided for a particular child in exceptional circumstances. A preference for being educated in accordance with a particular religious faith will not usually constitute exceptional circumstances. Siblings of those pupils already receiving free transport to a denominational school will be classed as a new applicant and will not be entitled to free transport.

Please note that eligibility for free education transport can change during a child's school career. It is possible that transport assistance might be withdrawn or that a child might become entitled to assistance at a later date. If the home address changes during a child's school career then parents are reminded that they must check how this may affect their child's transport entitlement. It is the responsibility of the parent to inform the Education Transport team of any such change when it happens.

If you list a school preference that is not your designated school or the nearest school to your home address, it is important that you give careful consideration as to how you will arrange for your child to get to school. In nearly all these cases the responsibility for arranging and funding the transport will be yours. Transport is not provided to independent schools.

Free transport for entitled pupils will be provided until the end of statutory school age unless there are any changes to the child's circumstances, e.g., change of address/school.

The current Bracknell Forest Education Transport Policy is available on the Bracknell Forest website www.bracknell-forest.gov.uk/schools-and-learning/schools/school-transport

If you believe that you are entitled to transport when a place has been allocated you should complete the education transport application form which is available on the Bracknell Forest website www.bracknell-forest.gov.uk/schools-and-learning/schools/school-transport - Applications should be submitted by no earlier than May 2026 in order for your child to be considered for transport in September 2026. If an application is submitted after this date, there may be a delay arranging any suitable transport to which your child may be entitled, in time for the start of term.

The Education Transport team will determine your child's transport entitlement and provision based on the details that are submitted on the application form.

Transport entitlement will be confirmed on receipt of your application form. Transport provision (the actual type of transport and route) will normally be confirmed by the start of the academic year if an application form has been received on time (see above).

If your child has an Education Health and Care Plan (EHCP), he/she may be entitled to free transport to the school mentioned in Section I. Please discuss this matter with the Special Education Needs Team. However, pupils with an Education Health and Care Plan entering a mainstream school that is not their designated or nearest suitable school will not normally be entitled to free transport.

Pupils with an EHCP have no automatic entitlement to free transport to and from school; however, the Council may make travel arrangements for pupils registered at a school **within walking distance** who cannot reasonably be expected to walk to school because of their mobility problems or because of associated health and safety issues related to their special educational needs or disability.

Pupils who cannot be reasonably expected to walk to school because of a reason which may be associated with physical or mental health reasons, neuro-developmental difficulties and/or disabilities, may be provided with transport assistance on a temporary or permanent basis. Such cases should be discussed with the Education Transport team in the first instance. Evidence from an appropriate professional will be required and all cases will be considered individually.

Please note that, in all cases, Bracknell Forest Council will use public transport where it is available or appropriate in relation to the circumstances of the child.

Farepayer seats - pupils who are not entitled to free transport and who enquire about transport to schools, will be directed to apply for a seat on a public transport route. Pupils may be given the option to apply for a fare paying seat on one of the Council's contracted services only if there is no public service available. Where spare capacity exists on current vehicles that have been contracted to provide education transport for entitled pupils, the Council may make

these seats available for purchase by non-entitled pupils, subject to the seat being withdrawn with FIVE days' notice should it be required for an entitled pupil. This concession does not extend to public transport routes. The Council is under no obligation to provide transport for non-entitled pupils, and seats will be allocated on a first come first served basis. The Council's decision on this will be final. Larger and/or extra vehicles will not be contracted specifically for farepayers.

UNDERSTANDING THE OFFER PROCESS

HOW ARE SCHOOL PLACES OFFERED?

PAN - Published Admissions Numbers (number of places available)

Each year the admission authority for each school publishes an admission number. This is the number of pupils that the admissions authority can admit into the school for the that year's intake.

Once this number has been set the admission authority must admit children up to this number if there is sufficient demand for places. The individual school details set out later in this Guide (from page 49) record the admissions number for each Bracknell Forest school for the academic year.

How your preferences are considered

All preferences named on an application will be treated as equal preferences. This will mean that should the school be oversubscribed then the oversubscription criteria as confirmed within a school's admission arrangements will be applied to that school regardless of its ranked order on the form.

The relevant oversubscription criteria will be applied to each preference on your application and admissions authorities will then rank the preferences received for their school in accordance with their oversubscription criteria as if they are standalone applications. (i.e., only the oversubscription criteria is used to rank applications, the order in which you have listed your preferences is not considered at this stage)

Preferences for Bracknell Forest schools where the admissions authority is not the LA may be passed to that admission authority for them to apply their relevant oversubscription criteria to the application. Once this has been done the admissions authority will provide The School Admissions Team with a ranked list of all preference received for their school.

If a school is named on the application that is not a Bracknell Forest school, then application details in relation to this preference will be forwarded to the relevant LA who will co-ordinate with the relevant admission authorities in their area. The relevant admission authority will then apply their oversubscription criteria to all the applications they have received. Once complete, they will rank the applications received in strict criteria order and provide their LA with their final ranking. The relevant LA will then co-ordinate with Bracknell Forest to confirm which residents could or could not be allocated school places at the relevant non-Bracknell Forest school(s) and the School Admissions Team will complete the allocation process.

There are tables from page 140 showing how many preferences were expressed for Bracknell Forest schools last year and which criteria places were allocated to for these schools within Bracknell Forest. (If this has not been provided, then it is likely that the school is their own admission authority or, the school is not a Bracknell Forest school. You should contact the relevant admission authority directly for this information.) These tables will not give you an exact indication of how oversubscribed schools may be for this year's intake; we cannot predict or foresee how places will be allocated. However, it will give you an indication of a schools' allocation history, where a school has been oversubscribed in the past.

Allocating a preference

If, by applying the oversubscription criteria (or other admission authorities applying their oversubscription criteria) the LA is able to offer a place at more than one preference school, then the order that you list your preferences on your application will be taken into account. Your child will be offered a place at the school that is listed highest on your

application to which an offer can be made. You will only receive one offer of a school place (regardless of which area the school is in or type of school) in line with the School Admissions Code.

Other admission authority schools will not know which number preference you have named their school when considering applications, they will only know that a place has been requested. Please see the details provided under 'Equal Preference Scheme' on page 16 for further clarification.

If you are not offered one of your preferences

After the above process has taken place, if none of the admission authorities for the schools you have named can offer a school place due to your application not ranking high enough within their oversubscription criteria, the LA will offer an alternative placement. This will be the next closest school to your home address with available places.

You will be given the opportunity to be placed on a waiting list for the schools you've named. You will need to refer to the school's admission arrangements for further information regarding this.

WITHDRAWING A SCHOOL PLACE

An admissions authority may withdraw a school place if:

- The offer has been made in error
- a parent has not responded within a reasonable period of time
- It is established that the school place was obtained through a fraudulent or intentionally misleading application

An offer may be withdrawn if your child is unable to start at the school by the beginning of the Autumn Term – September 2026.

FREQUENTLY ASKED QUESTIONS

What if you are not offered any of your preferences?

If you are unable to be offered any of your preferences the information available online (on National Offer Day) will explain why, and your child will be offered a place at the next nearest school to the home address with available places. This will not necessarily be your designated area school. Your child's name may then be placed on the waiting list(s) for your preferred schools, please see page 45 for more details on waiting lists.

Please note the 'Reason for refusal' documentation which will be published online will only relate to Bracknell Forest schools. For non-Bracknell Forest schools, you should contact the relevant admission authority directly for information regarding their reasons for refusal.

What if you are offered a second or third preference?

If you are not offered your first preference but are offered a second or third preference, your child's name will be placed on the waiting lists for any Bracknell Forest school(s) listed as a higher preference than the one offered.

If the higher preference school(s) is a non-Bracknell Forest school then we cannot confirm that you will automatically be added to the schools waiting list. You will be required to speak to the admission authority directly regarding their waiting list.

What if I refuse the school place offered?

Refusing an offer will not:

- change your child's waiting list position
- change your chances of being offered your preferred school(s)
- advantage you in appeal
- re-consider you for a place at your preferred school(s)

Refusing the school place offered will result in the offer being withdrawn, this school place may then be offered to another child. Once you have refused the school place offered, there is no guarantee this place will still be available should you change your mind.

If we are unable to make an offer at a preferred school from a waiting list or if an appeal is not successful, refusing the school place offered will result in your child not having a school place for September 2026 and you will be responsible for making sure your child receives education.

If you refuse the school place offered, you must inform School Admissions of the alternative arrangements you have made for your child's education. If there are no confirmed alternative arrangements for your child's education, your details will be passed to Education Welfare.

What happens if I accepting the school place offered?

Accepting the school place offered will not:

- affect your child's position on any waiting list for a preferred school(s)
- affect an appeal that you may wish to make
- change your chances of being offered your preferred school(s)

If we are unable to make an offer at a preferred school from a waiting list or if an appeal is not successful, accepting the school place offered will ensure your child has a school place for September 2026 and will not affect any waiting lists, appeals or chances of obtaining a school place at a preferred school.

WAITING LISTS

Your child's name will automatically be added to the waiting lists of any Bracknell Forest school that is higher in your preference order than the one that has been offered.

If you have applied for a non-Bracknell Forest school, you must contact the relevant admission authority for further information regarding their waiting list. Your child may not automatically be added to a non-Bracknell Forest school waiting list, as some admission authorities require you to request for your child's name to be placed on a waiting list.

Waiting lists are constructed using the names of those children whose parents have formally applied for admission to the school using the application process and have been unsuccessful in obtaining a school place at the preferred school(s). Waiting lists will be constructed according to the relevant oversubscription criteria and will follow the same priority order. Please note this only applies to schools which were listed as higher preferences than that which has been offered.

If your child's name is at the top of a waiting list and a place can be offered, you will be contacted by the School Admissions Team using the contact details you have provided on your application form.

With schools becoming increasingly oversubscribed the School Admissions Team will require a prompt response from you regarding any waiting list offer. Parents are expected to accept the offer of a place for a higher preference school. The School Admissions Team may give a short deadline to accept this offer and if a response is not received the offer may be withdrawn.

It is very important that you keep the School Admissions Team up to date with your contact details and to inform them if you no longer wish your child's name to be held on a waiting list.

HOW CAN I FIND OUT WHERE MY CHILD'S NAME IS ON A WAITING LIST?

You are able to phone the School Admissions Team who can inform you of your child's position on any Bracknell Forest school waiting list.

It is important to note, waiting lists are ranked as per the schools oversubscription criteria, therefore waiting list positions can go up or down depending on applications received.

You will be required to contact the relevant LA for information regarding waiting list for schools outside of Bracknell Forest.

OFFERS FROM WAITING LISTS

Offers from waiting lists will not begin until after 23 March 2026, when the second round of admissions have been processed. If you are offered a place from the waiting list for a higher preference school and this offer is accepted, your original offer will be withdrawn. Your child's name will also be removed from the waiting list for Bracknell Forest schools ranked lower than the school place offered.

Waiting list offers are made on the basis that the information provided remains accurate and correct. You should always inform the School Admissions Team if your application details change as this may affect your waiting list position.

If an offer is made and accepted, and it is found to have been made and accepted based on inaccurate information, the school place offered will be withdrawn.

HOW LONG WILL MY CHILD'S NAME REMAIN ON A WAITING LIST?

For Bracknell Forest community schools your child's name will be held on any relevant waiting lists until the end of the summer term of the academic year (until July 2027). The waiting list will then be closed.

The LA will maintain the waiting list for all schools until 01 September 2026. Own admission authority schools who do not co-ordinate their in-year admissions with Bracknell Forest School Admissions will then maintain their waiting lists from this date. Please refer to the individual school's admission arrangements for how long these waiting lists will be maintained. For further information you should contact the individual schools directly.

The LA will continue to maintain the waiting list for all other own admission authority schools who co-ordinate their in-year admissions with Bracknell Forest.

If you require your child's name to be placed on the waiting for the next academic year (Year 8) then you can do so no sooner than 20 school days before the school place is required. For a start on the first day of the new academic year, an in-year application can be submitted no sooner than 27 June 2027. Further information regarding this process will be published online at this time. [In-year school application | Bracknell Forest Council](#)

Important information to note

- The length of time a child's name has been on a waiting list is not a deciding factor when a space becomes vacant.
- Waiting list positions are not fixed and may change depending on applications received.
- It is your responsibility to ensure that you inform the School Admissions Team if you do not want your child to remain on waiting lists for any higher preferences. You can note this when responding to your offer. If this is after 16 March 2026 you should inform the School Admissions Team as soon as possible in writing.
- It is your responsibility to ensure you update the School Admissions Team should your circumstances change (by this we mean a circumstance in which will affect your criteria and therefore your position on a waiting list) at any time throughout the academic year.

Once a child starts at a school and begins to build relationships with other children and teachers, we would hope that you will not consider moving your child to another school except in exceptional circumstances.

REASON FOR REFUSAL

If we are not able to offer your child a place at your preferred school, this is because there were more applications for the school than there were available places and not all requests for places could be met.

ORDINARY PREJUDICE GROUNDS

Admissions authorities within Bracknell Forest fully recognise the need to meet parental preference wherever possible. However, when the relevant year group within the school is full and the point has been reached where considerations of parental preference have become outweighed by the adverse financial and accommodation consequences of admitting further pupils over the admission number. It would place pressure on staff and existing pupils and have an impact on successful teaching and learning. It will prejudice the provision of efficient education and the efficient use of resources in terms of Section 86(3) of the School Standards & Framework Act 1998. Therefore, it is not possible to accede to parental preference in this case and the application will be refused.

SCHOOL ADMISSIONS APPEALS

If we are unable to allocate your child a place at your preferred school(s), you have the right to appeal for a school place and attend the appeal hearing under the School Standards and Framework Act 1998. An Independent Appeal Panel will be formed to consider your appeal convened under the School Admission Appeals Code issued by the Department for Education.

LODGING AN APPEAL

To Lodge and appeal you should either complete an online form via the website.

School admission appeals | Bracknell Forest Council (bracknell-forest.gov.uk)

or alternatively contact Customer Services: 01344 352000

Formal appeals will be considered by an independent panel convened by the Clerk in accordance with the School Standards and Framework Act 1998 (SSFA 1998) and the School Admissions Appeals Code.

If you have been refused a place at any of the following schools, you should contact the school directly who will advise on their process for their appeals.

- Ranelagh CE Academy School
- The Brakenhale School

Appeals received by the published closing date, 31 March 2026 will usually be heard during May and June 2026.

An appeal can only be heard after an application has been made on the correct form(s) and if you have not been offered a place at your preferred school(s). The application must have been submitted and processed by the School Admissions Team before an appeal can be lodged.

You cannot appeal for a school that was a lower preference school on your application form to that of the offer you have received.

Further information regarding the appeals process can be found online, [School admission appeals | Bracknell Forest Council \(\[bracknell-forest.gov.uk\]\(http://bracknell-forest.gov.uk\)\)](http://bracknell-forest.gov.uk)

PUBLISHED ADMISSION ARRANGEMENTS 2026.27

BRACKNELL FOREST COMMUNITY SCHOOLS 2026.27

Secondary school admissions to year 7 2026-2027

Applications for secondary schools will be processed according to the published secondary school co-ordinated admissions scheme for 2026-2027. The scheme and the admissions arrangements will be published in the LA's composite prospectus. This is entitled The Guide to Secondary Education 2026/27. This guide will be available from 12th September 2025.

Primary School Admission to Year Reception 2026-2027

Applications for primary schools will be processed according to the published primary school co-ordinated admissions scheme for 2026-2027. The scheme and the admissions arrangements will be published in the LA's composite prospectus. This is entitled The Guide to Primary Education 2026/27. This guide will be available from 12th September 2025.

There is no automatic transfer from nursery to reception. Parents must still make an application to start school even if they currently attend a school nursery.

Oversubscription Criteria

Within Bracknell Forest there is 1 community secondary school, and the local authority sets the admission criteria for this school. The criteria for this school can be found below, in the 'Guide to Secondary Education 2026/27', on the Bracknell Forest Council's website or from the school.

Bracknell Forest is the admission authority for the community and voluntary controlled primary schools within the borough and sets the admission criteria for these schools. The criteria for all of these schools can be found below, in the 'Guide to Primary Education 2026/27', on the Bracknell Forest Council's website or from the schools.

If the number of requests for places is equal to or less than the number of places available, then all applicants could be offered a place at that school.

In circumstances where more applications than places are received, the following criteria will be used.

The following criteria apply to the community and voluntary controlled schools listed in the tables below.

Community Secondary Schools
Garth Hill College

Community Primary Schools	
Ascot Heath Primary	New Scotland Hill Primary
College Town Primary	Owlsmoor Primary
Cranbourne Primary	The Pines Primary
Fox Hill Primary	Whitegrove Primary
Harmans Water Primary	Wildridings Primary
Holly Spring Primary	Wooden Hill Primary

Voluntary Controlled Primary Schools	
Winkfield St. Mary's Primary	Warfield CE Primary

Children with an Education Health & Care Plan that names a specific school must, by law, be admitted to that school.

After this requirement has been satisfied the following rules will apply:

- (A) Looked After Children¹ and all previously looked after children. Previously looked after children are children who were looked after but ceased to be so because they were adopted² (or became subject to a child arrangements order³ or special guardianship order⁴) immediately following having been looked after. This also includes those children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted⁵
- (B) Children who have either medical or social grounds for admission to a particular school. This evidence must set out the particular reason why the school in question is the only suitable school and the difficulties caused if the child had to attend another school. The LA's decision in these matters is final.
- (C) Children of staff at a particular school:
 1. Where a member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made and/or
 2. the member of staff is recruited to fill a vacant post for which there is demonstrable skill shortage.

¹ A 'looked after child' is a child who is (a) in the care of a local authority in England, or (b) being provided with accommodation by a local authority in England in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

² This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children's Act 2002 (see section 46 adoption orders).

³ Child arrangements orders are defined in s.8 of the Children Act 1989, as amended by s.12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order.

⁴ See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

⁵ A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

- (D) Children who live in the **designated area** of the school and who have a **sibling*** who will still be attending the school at the time of the child’s admission.
- (E) Children who live in the **designated area** of the school
- (F) Children who **do not** live in the designated area of the school but who have a **sibling*** at the school, and who will still be attending the school at the time of the child’s admission.
- (G) All other children

Children must be living in the designated area at the closing date, of 31 October 2025 for secondary applications and 15 January 2026 for primary applications, to be considered under this criterion.

*For secondary admissions sibling does not include those in the 6th form of the school.

Tie Break

If there are still insufficient places, and no distinction can be made between the applicants within each of the criterion or if they do not fulfil any of the above criteria, applications will be ranked on the *radial distance* (straight line distance on a map) between the home and the school. Those living nearer to the school will be placed higher than those living further away. Radial distance will be based on the co-ordinates for the property and the school as defined in the Local Land and Property Gazetteer and based on the Ordnance Survey’s national system. For non Bracknell Forest residents the residential property co-ordinates used will be that which is provided by the home local authority. For new build properties these co-ordinates may not yet be finalised by the Local Land and Property Gazetteer and therefore the co-ordinates available as of the closing date for applications will be used.

Distances are measured using direct distance calculations within a computer system. The measurement of each distance has been calculated using Pythagoras’ Theorem. The way in which this is done is to calculate the distance in metres between the Easting and Northing co-ordinates for each location. The measurement in metres is then multiplied by 0.000621317 to convert this measurement to miles. The same method of calculation is used for each direct distance measured. This can be to three, four or five decimal places where necessary

If in the event that two or more children live at the same distance from school and it cannot be separated and there are fewer places available, then random allocation will be used to decide which child will be allocated the remaining place(s). The process will be drawn and scrutinised by people who are independent of the Council. Random allocation will not be used for multiple birth siblings (twins, triplets etc) from the same family tied for the final place.

As soon as all applications have been received, including those submitted online and from outside Bracknell Forest, the LA will consider all applications equally for its community and voluntary controlled schools and apply the admissions arrangements as published.

Where demand exists, schools admit up to their admission number and no places are reserved for pupils moving into their designated area.

The following criteria apply to the voluntary controlled school listed in the table below:

Voluntary Controlled Primary Schools
Crowthorne CE Primary

Children with an Education Health and Care Plan that names the school must, by law, be admitted to the school.

After this requirement has been satisfied the following rules will apply:

- (A) Looked After Children⁶ and all previously looked after children. - (B) Children who have either medical or social grounds for admission to a particular school. This evidence must set out the particular reason why the school in question is the only suitable school and the difficulties caused if the child had to attend another school. The LA's decision in these matters is final.
- (C) Children of staff at a particular school.
 - 1. Where a member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made and/or
 - 2. the member of staff is recruited to fill a vacant post for which there is demonstrable skill shortage.
- (D) Children who live in the **designated area** of the school and who have a **sibling** who will still be attending the school at the time of the child's admission and whose parent(s) meet the **denominational** criterion.
- (E) Children who live in the **designated area** of the school and who have a **sibling** who will still be attending the school at the time of the child's admission
- (F) Children who live in the **designated area** of the school and whose parent(s) meet the **denominational** criterion.
- (G) Children who live in the **designated area** of the school.
- (H) Children who do not live in the designated area of the school but who have a **sibling** who will still be attending the school at the time of the child's admission and whose parent(s) meet the **denominational** criterion.
- (I) Children who do not live in the designated area of the school but who have a **sibling** who will still be attending the school at the time of the child's admission
- (J) Children who do not live in the designated area of the school but whose parents meet the **denominational** criterion
- (K) All other children

Children must be living in the designated area at the closing date of 15 January 2025 to be considered under this criterion

Tie Break

⁶ A 'looked after child' is a child who is (a) in the care of a local authority in England, or (b) being provided with accommodation by a local authority in England in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

⁷ This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children's Act 2002 (see section 46 adoption orders).

As soon as all applications have been received, including those submitted online and from outside Bracknell Forest, the LA will consider all applications equally for its community and voluntary controlled schools and apply the admissions arrangements as published.

- **Voluntary controlled schools – Denominational Criterion**

Where denominational grounds are a reason for the application for Crowthorne CE Voluntary Controlled School it will be necessary for at least one of the parents/carers of the child concerned to regularly attend a church that is part of the group of Churches Together in Britain and Ireland or the Evangelical Alliance.

At least one of the parents/carers, who live at the same address as the child, must attend worship on at least two occasions in each calendar month for at least 8 months of the year in the 12 months prior to the published closing date for admissions or the date of application if it is an in-year application. Attendance does not include services of marriage, funerals or christenings (except for the christening of the child seeking entrance to the particular school).

In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

Applicants will need to complete the relevant form in order to confirm that they are applying to the school on denominational grounds. In addition, it will then be necessary for the form to be passed onto their local clergy for verification before it is sent to the School Admissions Team.

Protected Sibling Status

Parents of children attending a school that was their designated area school at the time of processing the application but where the designated area has changed will have a protection for any younger siblings. The younger sibling's

application will be processed as living in the designated area of the same school as the older sibling is attending even though the designated area has changed.

It is the parent's responsibility to inform the School Admissions Team on their application that they fulfil this criterion. This information will then be verified by the School Admissions Team. Parents **must** enclose a copy of their current council tax notice.

The child must still be living at the address within the original designated area from where the parents applied for the older sibling. If a child's address has changed then this criterion will not be applied.

The older sibling must also still be attending the school where the protected sibling status is being requested.

Note that in all cases the normal admission process will be followed and there will be no guarantee of a place at the school.

Multiple Births

Where the LA has received applications for twins or other multiple births and when one of the siblings is the last child to be admitted under the oversubscription criteria, the other sibling(s) may be admitted as an exception.

Home address

The address where the child lives at the closing date for applications will be used to process on time applications. All addresses will be checked via the Revenue Services department. If any discrepancies are found it remains the applicant's responsibility to satisfy the Admissions Authority that they live at the address that they state. If fraud is suspected, then further proof may be requested. If fraud is established and a school place has been obtained as a result of a fraudulent application, then any offer of a school place will be withdrawn and the application considered afresh.

If a parent/carers owns a property which they do not occupy and/or rent out and then move into another property nearer or within the designated area of the preferred school, then it is for the applicant to provide sufficient evidence to satisfy the Local Authority that the new address is that of the property in which they reside in, to allow that address to be used to determine any relevant criteria.

If an applicant already owns and resides in a property which is in the process of being sold, Bracknell Forest is able to consider the address of the new property on submission of:

- a solicitor's letter showing completion has taken place of sale for the old property and,
- a solicitor's letter showing completion has taken place on the new property. Or,
- Current rental agreement, signed by yourself and the Landlord for the new property.

It is for the applicant to provide sufficient evidence to satisfy the Local Authority that the new address is that of the property where the child resides.

The address used on an application must be a permanent address; temporary addresses can only be considered where evidence is provided of a genuine reason for the move.

Child arrangements orders - It is increasingly common that parents are agreeing, and courts are endorsing, child arrangements orders (previously called shared residence orders) under Section 8 of The Children Act 1989. Further advice on this matter can be obtained from the School Admissions Team. Any details regarding these arrangement orders, or the child's living arrangements, must be submitted at the time of application. It is the parents' responsibility to provide this information. As a general rule shared residence is based (for admissions purposes) on the number of school nights a child spends at each home. The School Admissions Team may take legal advice on these matters as they

relate to a specific case. A main address will need to be used to process the application. If the second parent/carer's address is different from the first they will not receive any information/letters.

Applicants from abroad

Applicants from abroad who intend to move or return to the UK and reside in the borough can make an application for their child prior to their move.

Applicants are responsible for ensuring their child has the right of abode and the right to access a state-funded school before an application can be submitted.

The address where the child resides as of the closing date for applications will be the address used to process the application.

Once the family have moved to the UK, and provided proof of their address within the borough, their application can be updated in line with section 'Moving into Bracknell Forest' above.

Should a child fail to start at the allocated school at the beginning of the autumn term, the offer of a place may be withdrawn.

Service Families

Families of UK service personnel with a confirmed posting to the Bracknell Forest area (or Crown Servants returning from overseas to live in Bracknell Forest) will be able to make an application for a school place if it is accompanied by an official letter from the relevant service declaring a relocation date and a Unit postal address or quartering address.

For those service families who already live in Bracknell Forest or are moving to live in Bracknell Forest a formal letter from their chain of command verifying their address would be accepted if applying under the designated area criteria.

Social and Medical Grounds

If a child has a social and medical need that would cause significant physical and / or mental hardship, an applicant can indicate that they wish their application to be considered under social and medical grounds.

It is the applicant's responsibility to obtain a Supplementary Social and Medical Information Form which must be completed and returned to the School Admissions Team along with supporting written evidence from a professional by the given closing date. The supporting evidence for social and medical grounds should be from the relevant registered professional(s) involved with the child. Examples include registered health professionals, such as Consultant, GP, Psychologist or Psychiatrist. All evidence must be on letter headed paper and reflect the child's current situation.

This evidence must prove why the school in question is the **only** suitable school and why the child cannot attend another school. This evidence must be specific to the school in question.

It is the applicant's responsibility to provide all evidence in support of their request and it is not possible for it to be considered under this criterion if no evidence is supplied.

All schools have the resources to work with special educational needs and common childhood complaints such as asthma.

Requests will be considered in accordance with the Equalities Act 2010.

FOR PRIMARY APPLICATIONS ONLY: Also considered under this criterion on social grounds will be parents who have applied for a place at their designated area school as a higher preferred school (than the one offered) for an older child by the published closing date and the local authority have been unable to meet this preference and a place has been

allocated to this older child at an alternative school. If the parent, then wishes to apply for this alternative school by the published closing date for their younger child (and the older child will still be attending at the date of admission of the younger child) then the applicant must notify The School Admissions Team on their application for that younger child that they consider this criterion applies and ensure all relevant information is supplied.

If a parent moves house or chooses not to accept the offer of a place at their designated area school, then this information will have been recorded by The School Admissions Team at the time and will be used in the decision making process as to whether a younger child will be accepted as fulfilling this criterion.

The procedure

Applications on social and medical need will be considered firstly by the panel of officers.

They will consider information on the Social and Medical Supplementary Information Form and any evidence from the relevant professional(s). They will recommend whether a decision can be made to either:

- Allow the application
- To refuse the application –on the grounds that the circumstances of the case does not meet the social and medical criterion.
- The recommendation will then be passed to the School Admissions Manager for a final decision

The decision on the application will be recorded and a letter will be sent to the applicant informing them of the outcome.

Staff

Any applications under this criterion will be referred to the particular school that is named on the application for confirmation that the application meets the set criterion.

Sibling

Refers to a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling. For a secondary school place this does not include those siblings in the school 6th form.

Appeals

If parents have been refused a **primary school place** at one or more of their preferences, they will be informed of their right of appeal. All appeals for Bracknell Forest schools must be submitted by 19 May 2026. Admissions authorities will then endeavour to hear all appeals submitted by this date within 40 school days.

If parents have been refused a **secondary school place** at one or more of their preferences, they will be informed of their right of appeal. All appeals for Bracknell Forest schools must be submitted by 31 March 2026. Admissions authorities will then endeavour to hear all appeals submitted by this date within 40 school days.

Waiting lists

The LA will maintain waiting lists for all Bracknell Forest community and voluntary controlled schools. Applicants not offered a place at a higher preference school than that which has been offered will automatically be placed on a waiting list for a school that is within Bracknell. Parents should be aware that their child's name can go up or down the waiting list according to the priority of new additions to the list, for example someone moving into the area is placed on the appropriate place on the waiting list. Waiting lists must be maintained in criteria order at all times. The LA will maintain the waiting lists for all Bracknell Forest community and voluntary controlled schools for the school year for which they have applied. At the end of the school year the waiting list will end and parents will need to reapply for a place for the following year. No reminders will be sent.

The admission of children outside of their chronological year group

Children are normally admitted to their chronological year group. Requests from parents for school places outside a normal age group will be considered carefully.

Deferred and delayed entry

For admission to school for the 2026/2027 school year, all schools will offer all children a full time school place from the September following their fourth birthday. Parents can choose for their child to attend part-time until the child reaches compulsory school age.

Parents of a child whose fifth birthday falls between 1 September 2026 and 31 March 2027 may make the decision that their child is not admitted until later in the school year 2026/2027 (no later than the term [using three term year] after the child's fifth birthday, when they reach compulsory school age). All schools will hold any deferred place for the child until they become compulsory school age.

Where parents choose to defer their child's admission, or take up the place part-time but later wish to increase it to full-time before their child has reached compulsory school age, this must be discussed with the Headteacher to agree the effective date.

For children whose fifth birthday falls between 1 April 2027 and 31 August 2027 (summer-born children), parents who do not wish them to start school in the school year 2026-27, but to be admitted to the Reception Year in September 2026, should apply at the usual time for a place in September 2026 by the published closing date, and include a cover letter/email with their request to delay entry ensuring they include all the information and evidence they would like to be considered. All information and evidence will be shared with the headteacher of the relevant school(s) for their views, as required to do so by law.

If their request is agreed, and this should be clear before the national offer day, their application for the normal age group may be withdrawn before any place is offered and they should reapply in the normal way (no later than 15 January 2027) for a Reception place in September 2027. If their request is refused, the parents must decide whether to wait for any offer of a place in September 2026 (N.B. it will still be subject to the oversubscription criteria below) or to withdraw their application and apply in the second half of the summer term 2027 for a Year 1 place in September 2027. Parents should be aware that the Year 1 group may have no vacancies as it could be full with children transferring from the 2026-27 Reception Year group.

Admission of children outside their normal age group – Secondary Transfer

Where a child has had a delayed entry start to school and has not escalated into the age appropriate year group or wishes to repeat a year within their primary school, they will need to submit a request to be admitted to secondary school outside of their chronological year group. In order that such requests (supported by evidence*) can be fully considered, the parent will be asked to submit their request together **with an application for the normal age group by the application deadline**. This ensures that if the request is refused, the child's application for preferred schools will not be disadvantaged and the request can be considered appropriately including the views of the preferred schools either prior to the offer date or after. The parent will be informed of the implications of making such a request.

- If the request is agreed, their application for the normal age group may be withdrawn before a place is offered and required to apply again the following year group.
- If their request is refused, the parent must decide whether to continue to move the child from year 5 to year 7, apply to a different admission authority or apply for a year 8 place.

***Evidence Required for admission of children outside of their chronological year group**

Consideration of these requests will include taking account of the parents' views; information about the child's academic, social and emotional development; whether they have previously been educated out of their normal age group; where relevant, the child's medical history and the views of a medical professional. The views of the headteacher of the school concerned will also be taken into account.

When informing a parent of the decision on the year group to which the child will be admitted, the parent will be notified of the reasons for the decision.

The parent has a statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if they are offered a place at the school but it is not in their preferred age group.

Definitions

Parent

'Parent' is defined under S576 of the Education Act 1996, for the purposes of education law, the DfE considers a 'parent' to include:

- all biological parents, whether they are married or not
- any person who, although not a biological parent, has parental responsibility for a child or young person, this could be an adoptive parent, a step-parent, guardian or other relative
- any person who, although not a biological parent and does not have parental responsibility, has care of a child or young person

A person typically has care of a child or young person if they are the person with whom the child lives, either full or part time and who looks after the child, irrespective of what their biological or legal relationship is with the child.

GUIDANCE

Social and Medical Grounds

If a child has a social and medical need that would cause significant physical and / or mental hardship, an applicant can indicate that they wish their application to be considered under social and medical grounds.

It is the applicant's responsibility to obtain a Supplementary Social and Medical Information Form which must be completed and returned to the School Admissions Team along with supporting written evidence from a professional **by the given closing date**. For In-Year applications the evidence must be submitted at the time of application. The supporting evidence for social and medical grounds should be from the relevant registered professional(s) involved with the child. Examples include registered health professionals, such as Consultant, GP, Psychologist or Psychiatrist. Evidence must be on letter headed paper and reflect the child's current situation.

This evidence must prove why the school in question is the **only** suitable school and why the child cannot attend another school. This evidence must be specific to the school in question.

It is the applicant's responsibility to provide all evidence in support of their request and it is not possible for it to be considered under this criterion if no evidence is supplied.

All schools have the resources to work with special educational needs and common childhood complaints such as asthma.

Requests will be considered in accordance with the Equalities Act 2010.

FOR PRIMARY APPLICATIONS ONLY

Also considered under this criterion on social grounds will be parents who have applied for a place at their designated area school as a higher preferred school (than the one offered) for an older child by the published closing date and the local authority have been unable to meet this preference and a place has been allocated to this older child at an alternative school. If the parent then wishes to apply for this alternative school by the published closing date for their younger child (and the older child will still be attending at the date of admission of the younger child) then the applicant must notify The School Admissions Team on their application for that younger child that they consider this criterion applies and ensure all relevant information is supplied.

If a parent moves house or chooses not to accept the offer of a place at their designated area school then this information will have been recorded by The School Admissions Team at the time and will be used in the decision making process as to whether a younger child will be accepted as fulfilling this criterion.

Supplementary Social and Medical Information Form

In order for your application to be considered on social and medical grounds you must complete this form and return it to the School Admissions Team along with your supporting evidence by the given closing date. For In-Year applications the evidence must be submitted at the time of application.

1 Admission for entry to Year 7, September 2026

The Brakenhale School has a Published Admission Number of 210 for entry into Year 7 in September 2026. The Brakenhale School is part of Bracknell Forest Council's Co-ordinated Admissions Scheme. Applications for admission to Year 7 at The Brakenhale School must be made in October of the year before admission for a place in Year 7, to the child's Home Local Authority on their Common Application Form, naming The Brakenhale School as a preference on the form.

The Common Application Form (CAF) must be submitted to the child's Home Local Authority no later than 31 October.

Applications must be made by the Parent. Parent refers to the person with 'parental responsibility' for the child or the child's designated carer. Where the applicant is not the natural birth parent this should be indicated on the application form.

1.1 EHCP

Students with an Education Health Care Plan that names the school will be allocated a place before other applicants are considered.

In this way, the number of places offered, as set out below will be reduced by the number of children with an EHCP that has named the school.

1.2 Oversubscription criteria

If the school receives more applications than there are places available, the following criteria will be applied.

Priority 1: Looked After Children

Priority for Looked After Children or children who were Previously Looked After.

A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order, including those who appear to the admission authority to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is;

- (a) in the care of a local authority, or
- (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989).

Priority 2: Exceptional Medical/Social need

Priority for children who have an exceptional social and/or medical need.

Students who have either medical or social grounds for admission to this school. This evidence must set out the particular reason why the student should attend this school rather than any other, and show that this is the only suitable school to meet their stated needs, why no other local school could meet those needs and what the difficulties would be if the child had to attend any other local school.

Parents should complete the Trust's Social and Medical Form (in addition to the CAF), which can be found on the school's website www.brakenhale.co.uk

The Social and Medical Form must be supported by relevant written evidence from a registered professional(s) involved with the child. Examples include registered health professionals, such as a Consultant, GP, Psychologist or Psychiatrist. All evidence must be on letter-headed paper and reflect the child's current situation.

The Trust's Social and Medical Form must be submitted directly to the Greenshaw Learning Trust no later than 31 October via email to s.m@greenshawlearningtrust.co.uk or posted to, Head of Admissions, Greenshaw

Learning Trust, Oru Sutton, 7 Throwley Way, Sutton SM1 4AF.

The CAF must be submitted directly to the child's home Local Authority no later than 31 October.

Evidence submitted after the closing date will not be considered. Only in exceptional circumstances the Trust may apply discretion to consider evidence submitted after the closing date. It is therefore important that all relevant evidence is submitted at the time of application and should be submitted before the closing date to ensure full consideration.

Applications will be assessed against the evidence and determined as a joint decision of the Greenshaw Learning Trust Head of Admissions and the school's Headteacher.

Priority 3: Children of permanent members of staff

Priority for children of permanent members of staff of the school.

Where;

- The member of staff has been employed at Brakenhale School for two or more consecutive years at the time at which the application for admission to the school is made; or
- The member of staff has been recruited to fill a vacant post for which there is a demonstrable skill shortage.

Priority 4: Siblings

Priority for students who will have a sibling at the school at the time of admission.

Sibling refers to brother or sister, half brother or sister, adopted brother or sister, foster brother or sister, stepbrother or sister, or the child of the parent's partner, as well as children who are brought together as a family by a same-sex civil partnership. In every case, the child must be living in the same family unit at the same address, Monday to Friday, at the time of the application.

Where a sibling is in Years 11 or 12 at the time of application to start year 7, they will be deemed as being in the school at the time of admission, unless the parent has specifically stated that they will not be continuing into the following academic year.

Where a parent applies for entry into the same year group for more than one child and it is not possible to offer a place to all of them, the names of the children who were unsuccessful will be added to the waiting list in accordance with the published admission criteria, in the same way as for other children.

Priority 5: Designated Area

Priority for students living in the school's designated area.

Students who live in the designated area of the school. Children must be living in the designated area at the closing date of **31 October** to be considered under this criterion. Maps showing the designated area of a school are available to view on the Bracknell Forest website, at the school, at the main Bracknell library or at a council office upon request.

Priority 6: Distance (outside of the designated area)

Any remaining places will be offered to students living outside of the designated area based on proximity of the child's home address to the school. Distances will be measured in a straight-line distance using the computerised system as specified by Bracknell Forest Council.

The address on the application must be the child's permanent place of residence. The address will normally be the parents' address. It should not be a business or carer's/childminder's address. It should also not be a relative's address unless the child lives at that address as their normal place of residence. Parents must not use a temporarily

rented address to secure a school place for their child if they still possess or rent a property previously used as a home address. Nor will a temporary address be accepted if we believe that the temporary address is being used solely for the purpose of obtaining a school place when an alternative address is still available to that child.

Where a child lives with parents with shared parental responsibility, each for part of a week, the address where the child lives is determined using a joint declaration (i.e. a letter) signed by both parents stating the pattern of residence. A letter of joint declaration should be sent to the student's home Local Authority and must be received before the closing date of 31 October. If a child's residence is split equally between both parents, then parents will be asked to determine which residential address should be used for the purpose of admission to the school.

If no joint declaration is received by the closing date for applications, then if the residence is not split equally between both parents the home address will be determined to be the address where the child spends the majority of the school week; if residence is split equally between both parents the home address will be determined to be the address where the child is registered with the doctor. However, all evidence will be taken into account.

All school admission applications for school places are subject to address checks to ensure school places are allocated fairly and in accordance with published admission arrangements. These checks will be conducted by the home Local Authority. Where a fraudulent address or an address of convenience are found to have been used, the application and any subsequent offer may be withdrawn.

Applicants living outside of England may submit an application if they have a linked address within the Local Authority area, and documentary evidence must be supplied to show they will return to the address prior to the September of the year of entry; this address must not be an address of convenience. Where a linked address is not available the overseas address will be used to determine the home to school distance.

For families of service personnel with a confirmed posting to the area, or crown servants returning from overseas to live in the area, who do not currently live in the area, a Unit postal address or quartering area address will be used as the home address, provided that the application is accompanied by an official letter that declares a relocation date and the address.

Applications are ranked in accordance to the home to school distance within each priority. The distance measurement used is defined within Priority 6, for distance.

1.3 Tie Breaker

Where two or more applicants share priority for a place, the child to be offered a place will be selected by the drawing of lots. Lots will be drawn by a senior officer of the Greenshaw Learning Trust Shared Service who is independent of the school's admissions process.

2 Applications for students outside of the normal age group

Students are normally educated in school with others of their age group. However, parents may request that their child is exceptionally admitted to an age group outside of the child's actual age.

Parents should submit a request for education outside of the normal age group in writing (by letter or email) at the time of the application. The request should be sent with the application to the address detailed on the application form.

The decision will be made based on whether or not the child's circumstances make this appropriate, taking into account the child's individual needs and abilities and considering in which year group these needs can best be met. Such requests will only be agreed in exceptional circumstances.

Decisions will be made on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's views; information about the child's academic, social

and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely.

Parents may wish to include evidence of the child's circumstances which make education outside the age group necessary. Evidence must be of the individual child's need, rather than general factors which relate to a wider group of children born at a similar time.

Parents requesting admission to an age group below the child's actual age should submit an application for the child's actual age group before the relevant closing date in the normal way. The request for later admission should accompany the submission of the Common Application Form to the home Local Authority. This enables the application to be processed, and a school place secured in the child's actual age group if the request for admission to an age group below the child's actual age is refused.

The decision will be made as a joint decision of the Greenshaw Learning Trust Head of Admissions and the school's Headteacher.

3.1 Late Applications

Application forms received after the closing date will be considered after those that are received on time, unless exceptional circumstances apply. These must comply with the Local Authority's ruling on late applications. If you are unsure whether your circumstances would be regarded as a 'good reason', you must contact your home LA for further advice.

3.2 Notifications and Acceptance of Offers

Notification of offers for admission to *Year 7* will be sent to parents by their Home Local Authority. Offers are made by the home Local Authority on or about 1 March. Written acceptance of the offer of a place must be sent to the Local Authority to be received by the closing date as stated in the offer letter.

An offer found to have been gained fraudulently may be withdrawn. This may also be the case after the child has started at the school.

3.3 Waiting lists

If the school is oversubscribed a waiting list will be held for Year 7 until 31 December.

Parents wishing to remain on the waiting list after 31 December should write to the school by 31 December stating their wish and providing their child's name, date of birth and the name of their current school.

The waiting list will be prioritised according to the school's oversubscription criteria and without regard to the date the application was received or when a child's name was added to the waiting list.

4 In-year Admissions

To apply for a place at the Brakenhale School other than at the specified dates of entry, parents should contact the school to obtain the In-Year Admission Form. The In-Year Admission Form should be completed and returned directly to the school.

Where there are more applicants than places available, the school will maintain a waiting list according to the oversubscription criteria and without regard to the date the application was received or when a child's name was added to the waiting list.

Positions on the waiting list may go down as well as up. This is because other children might be added to the waiting list who have a greater priority for a place against the school's admission criteria; for example, when new families move into the area or when other families who had not previously named the school as a preference, ask to go on the waiting list after the initial allocation date.

Waiting lists are cancelled at the end of the academic year. Parents must re-apply if they wish for their child to be considered for a place at the school after this point by completing a new in-year application.

5 Sixth Form

The Brakenhale School has 100 places available in Year 12 for internal and external students.

Year 11 students currently studying at The Brakenhale School and students in the appropriate age range studying elsewhere may apply to join the Sixth Form.

All prospective candidates will be given on request, the appropriate information related to courses and the process of application. Where assistance is requested in regard to the completion of the application it will be provided.

The minimum academic attainment required for entry into the post-16 provision level 3 is:

- 5 GCSE grades 4+, including Maths or English language, for extended diplomas.
- 5 GCSE grades 5+, including Maths and English language, for A levels.

Students will also need to satisfy minimum entrance requirements for the courses in which they are applying, as detailed in the prospectus, available from the school's website. Students who did not attain grade 4 or above in GCSE English and Maths will need to resit these qualifications during their sixth form studies.

If a candidate has attained grades that meet the minimum requirements for a course they will be offered a place in the Sixth Form.

If a course is deemed to be full, the decision as to which students will be offered a place on that course will be made on the basis of the academic qualifications that the student currently holds.

6 Appeals

Parents have a statutory right of appeal against the decision not to offer a place at a school, under the School Standards & Framework Act 1998.

If a student is refused admission to the Sixth Form, parents and the student have the right to appeal either jointly or separately; if an appeal is lodged by both, both appeals will be heard together.

Appeals will be heard by an Independent Appeal Panel established by the Greenshaw Learning Trust to hear the appeal. The panel will decide whether to uphold or dismiss the appeal. Where a panel upholds the appeal, the school is required to admit the child.

Appeals for entry in September 2026 must be received by **Friday 17 April 2026** at the latest if these are to be heard by the Independent Appeal Panel by Monday 22 June 2026. Appeals received after **Friday 17 April 2026**, where possible, will be heard by Monday 22 June 2026; however, this will depend on the date the appeal is lodged and cannot be guaranteed.

Further information on how to lodge an appeal can be found [here](#)

EDGBARROW SCHOOL

Admissions arrangements 2026.27

Introduction

The admission arrangements set out below are for the children born between 1st September 2014 and 31st August 2015.

Edgbarrow School is an Academy and part of a multi-academy Trust called The Corvus Learning Trust. The Corvus Learning Trust is the admission authority for this school. The Corvus Learning Trust has delegated to The Governors' Admissions Committee of Edgbarrow School the responsibility for administering admissions to the school. The Governors' Admissions Committee works in close collaboration with Local Authorities to manage the admission process for parents and carers and have appointed Bracknell Forest Council to manage all aspects of admissions on their behalf.

The Governors' Admissions Committee have set the following admission arrangements in accordance with the applicable legislation and the School Admissions Code. They conform to the requirements of the Bracknell Forest Council's coordinated admissions arrangements.

Published Admission Number (PAN) for Year 7 September 2026 for Edgbarrow School

The PAN for 2026 -27 is **210**

Making an application for Year 7 September 2026 for Edgbarrow School

Applications to this school are in accordance with a coordinated scheme determined by the Local Authority (LA) within which the applicant resides; their home LA. It is to that LA that applications for a place at Edgbarrow School should be sent and that LA will advise the applicant of the result of their application. Coordinated admission schemes include procedures for the LA to pass on the application to the admission authorities for the schools concerned when it is not itself that authority. The Corvus Learning Trust is the admission authority for Edgbarrow School. As part of their delegated responsibility the school is responsible for considering any application made for a place at this school. The outcome of that consideration will be communicated to the applicant by the relevant LA.

Parents/Carers wishing to apply for a Year 7 place in September 2026 must complete the online or paper common application form provided by their home LA. The home LA is the LA in whose area the parents/carers live at the time of the application. The form must be returned to that LA no later than 31 October 2025. Offers and refusals of places will be sent by the home LA on 1 March 2026.

Late applications for Year 7 September 2026 for a place at Edgbarrow School

If an application is received after the deadline of 31 October 2025, this will be considered 'late' and will be processed in line with the LA late procedure.

The Criteria for a place at Edgbarrow School

The admission authority is required by law to admit all pupils with an Educational Health and Care Plan, which names Edgbarrow School in the Plan.

The admission authority will then admit all applicants if it is possible to do so without exceeding the admission number determined for the year and in accordance to the following criteria:

- (A) Looked After Children¹¹ and all previously looked after children. Previously looked after children are children who were looked after, but ceased to be so because they were adopted¹² (or became subject to a child arrangements order¹³ or special guardianship order¹⁴) immediately following having been looked after. This also includes children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted¹⁵
- (B) Children who have either medical or social grounds for admission to Edgbarrow School. This evidence must set out the particular reason why the school is the only suitable school and the difficulties caused if the child had to attend another school. The decision in these matters is final. An additional form will need to be completed.
- (C) Children of staff at the school. Where a member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made and/or the member of staff is recruited to fill a vacant post for which there is demonstrable skill shortage. The skills shortage area will be determined by The Governor's Admissions Committee.
- (D) Children who live in the **designated area** of the school and who have a **sibling** who will still be attending the school at the time of the child's admission.
- (E) Children who live in the **designated area** of the school.
- (F) Children who do not live in the designated area of the school but who have a **sibling** at the school, and who will still be attending school at the time of the child's admission.
- (G) All other children.

Children must be living in the designated area at the closing date of 31 October 2025 to be considered under this criterion.

Sibling does not include those in the 6th form of the school.

¹¹ A 'looked after child' is a child who is (a) in the care of a local authority in England, or (b) being provided with accommodation by a local authority in England in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

¹² This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children's Act 2002 (see section 46 adoption orders).

¹³ Child arrangements orders are defined in s.8 of the Children Act 1989, as amended by s.12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order.

¹⁴ See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

¹⁵ A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

Tie Break

If there are still insufficient places, and no distinction can be made between the applicants within each of the criterion or if they do not fulfil any of the above criteria, applications will be ranked on the *radial distance* (straight line distance on a map) between the home and the school. Those living nearer to the school will be placed higher than those living further away. Radial distance will be based on the co-ordinates for the property and the school as defined in the Local Land and Property Gazetteer and based on the Ordnance Survey's national system.

For new build properties these co-ordinates may not yet be finalised by the Local Land and Property Gazetteer and therefore the co-ordinates available as of the closing date for applications will be used.

Distances are measured using direct distance calculations within a computer system. The measurement of each distance has been calculated using Pythagoras' Theorem.

In the unlikely event that two or more children live at the same distance or additional distance (measured as stated above) from school (including, for example, flats within the same building), and there are fewer places available, random allocation will be used to decide which child will be allocated the remaining place(s). This will be in the form of drawing of lots, which will be supervised by someone independent of the school.

Notes on criteria

- **Looked After Child or Previously Looked After Child**

If a parent or LA (where relevant) wishes to apply under this criterion it is their responsibility to ensure that all relevant paper work is submitted with the application, for example of a copy of the relevant order issued by the family court. Should a parent not submit any relevant documentation with their application it will be assumed that the parent does not wish these circumstances to be taken into account.

- **Social and Medical Grounds**

If a child has a social and medical need that would cause significant physical and/or mental hardship, an applicant can indicate that they wish their application to be considered under social and medical grounds.

It is the applicant's responsibility to obtain an Edgbarrow School Supplementary Social and Medical Information Form which must be completed and returned to the School Admissions Team along with supporting written evidence from a professional by the given closing date. The supporting evidence for social and medical grounds should be from the relevant registered professional(s) involved with the child. Examples include registered health professionals, such as Consultant, GP, Psychologist or Psychiatrist. All evidence must be on letter headed paper and reflect the child's current situation.

This evidence must prove why **Edgbarrow School** is the **only** suitable school and why the child cannot attend another school. This evidence must be specific to the school.

It is the applicant's responsibility to provide all evidence in support of their request and it is not possible for it to be considered under this criterion if no evidence is supplied.

Edgbarrow School has the resources to work with special educational needs and common childhood complaints such as asthma.

Requests will be considered in accordance with the Equalities Act 2010.

- **Staff**

Any application submitted under this criterion will be confirmed by the school to determine if the application meets the set criterion. The skills shortage area will be determined by The Governor's Admissions Committee.

Accepting or declining the offer of a place at Edgbarrow School

Offers will be sent to parents/carers by the home LA and are required to accept or decline the allocated place in accordance with their home local authority procedure which will be outlined in the offer letter.

Appeals for a place(s) at Edgbarrow School

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code.

Appellants should contact customer.services@bracknell-forest.gov.uk for information on how to appeal. Information on the timetable for the appeals process is on the school's website.

Waiting list for a place(s) at Edgbarrow School

Bracknell Forest Council on behalf of The Governors' Admissions Committee will maintain a waiting list for unsuccessful applicants. Pupils on the list will be placed in order according to the criteria used in considering the original applications. Places, if they become available, will be offered to pupils from this list in strict order. Parents/Carers who are unsuccessful will have their child's name placed on the waiting list for their year and will be advised, on request, where the pupil stands in the list. It should be remembered that a pupil's position on the list may rise and fall as others are added or removed from the list. Parents/Carers are requested to notify Bracknell Forest School Admissions Team if at any time they no longer wish their pupil to be considered for a place at the school.

Admission of children outside their normal age group for Edgbarrow School

Children are normally allocated to their chronological year group. Requests from parents for school places outside a normal age group will be considered carefully whether for gifted and talented pupils or for those who have experienced problems, e.g. having missed education due to ill health, etc.

Parents must submit their request alongside their application and include all supporting documentation. Each case will be considered on its own merits and circumstances and in the pupil's best interest.

Definitions

- **Sibling**

A sibling refers to a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling. Sibling relates to children attending Year 7-11 at the time of admission and does not include those attending the sixth form.

- **Home address**

The address where the child lives at the closing date for applications will be used to process on time applications. All addresses will be checked via the Revenue Services department. If any discrepancies are found it remains the applicant's responsibility to satisfy the Admissions Authority that they live at the address that they state. If fraud is suspected, then further proof may be requested. If fraud is established and a school place has been obtained as a result of a fraudulent application, then any offer of a school place will be withdrawn and the application considered afresh.

If a parent/carer owns a property which they do not occupy and/or rent out and then move into another property nearer or within the designated area of the preferred school, then it is for the applicant to provide sufficient evidence to satisfy the Local Authority that the new address is that of the property in which they reside in, to allow that address to be used to determine any relevant criteria.

If an applicant already owns and resides in a property which is in the process of being sold, Bracknell Forest is able to consider the address of the new property on submission of:

- a solicitor's letter showing completion has taken place of sale for the old property and,
- a solicitor's letter showing completion has taken place on the new property. Or,
- Current rental agreement, signed by yourself and the Landlord for the new property.

It is for the applicant to provide sufficient evidence to satisfy the Local Authority that the new address is that of the property where the child resides.

The address used on an application must be a permanent address; temporary addresses can only be considered where evidence is provided of a genuine reason for the move.

Child arrangements orders - It is increasingly common that parents are agreeing, and courts are endorsing, child arrangements orders (previously called shared residence orders) under Section 8 of The Children Act 1989. Further advice on this matter can be obtained from the School Admissions Team. Any details regarding these arrangement orders, or the child's living arrangements, must be submitted at the time of application. It is the parents' responsibility to provide this information. As a general rule shared residence is based (for admissions purposes) on the number of school nights a child spends at each home. The LA or King's Group Academies may take legal advice on these matters as they relate to a specific case. A main address will need to be used to process the application. If the second parent/carer's address is different from the first they will not receive any information/letters.

In-year Admissions applications for a place(s) at Edgbarrow School

All applications for admission to the school outside the normal admissions round, other than applications for the Sixth Form, will be treated as in-year applications and are processed by the School Admissions Team at Bracknell Council on behalf of The Corvus Learning Trust as the admissions authority for Edgbarrow School.

Pupils admitted under the agreed Bracknell Forest Fair Access Protocol may take priority over children on the Waiting List.

Parents/Carers wishing to apply for a place at this school can apply online via the Bracknell Forest Council's website or obtain an in-year application form from their child's current Bracknell Forest school. This should be sent to the Bracknell Forest School Admissions Team who will forward it to the school for consideration.

Where there are places available then The Governors' Admissions Committee will determine a place can be offered to the applicant. If however at the time of this determination the school has more applications than places available in the same year group, all the applications will be ordered according to the criteria used in determining initial admissions and will be considered in that order and places will be offered accordingly.

Unless they are statutorily obliged to admit the applicant or the application is covered by the Local Authority's Fair Access Protocol, The Governors' Admissions Committee will, when reaching a decision on an application for admission to a full year group refuse the application.

The Criteria for a place at Edgbarrow School

The admission authority is required by law to admit all pupils with an Educational Health and Care Plan, which names Edgbarrow School in the Plan.

The admission authority will then admit all applicants if it is possible to do so without exceeding the admission number determined for the year and in accordance to the following criteria

- (A) Looked After Children¹⁶ and all previously looked after children. Previously looked after children are children who were looked after, but ceased to be so because they were adopted¹⁷ (or became subject to a child arrangements order¹⁸ or special guardianship order¹⁹) immediately following having been looked after. Children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted²⁰
- (B) Children who have either medical or social grounds for admission to Edgbarrow School. This evidence must set out the particular reason why the school is the only suitable school and the difficulties caused if the child had to attend another school. The decision in these matters is final. An additional form will need to be completed.
- (C) Children of staff at the school. Where a member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made and/or the member of staff is recruited to fill a vacant post for which there is demonstrable skill shortage. The skills shortage area will be determined by The Governor's Admissions Committee.
- (D) Children who live in the **designated area** of the school and who have a **sibling** who will still be attending the school at the time of the child's admission.
- (E) Children who live in the **designated area** of the school.
- (F) Children who do not live in the designated area of the school but who have a **sibling** at the school, and who will still be attending school at the time of the child's admission.
- (G) All other children.

Sibling does not include those in the 6th form of the school.

Tie Break

If there are still insufficient places, and no distinction can be made between the applicants within each of the criterion or if they do not fulfil any of the above criteria, applications will be ranked on the *radial distance* (straight line distance on a map) between the home and the school. Those living nearer to the school will be placed higher than those living further away. Radial distance will be based on the co-ordinates for the property and the school as defined in the Local Land and Property Gazetteer and based on the Ordnance Survey's national system.

Distances are measured using direct distance calculations within a computer system. The measurement of each distance has been calculated using Pythagoras' Theorem.

In the unlikely event that two or more children live at the same distance or additional distance (measured as stated above) from school (including, for example, flats within the same building), and there are fewer places available, random allocation will be used to decide which child will be allocated the remaining place(s). This will be in the form of drawing of lots, which will be supervised by someone independent of the school.

¹⁶ A 'looked after child' is a child who is (a) in the care of a local authority in England, or (b) being provided with accommodation by a local authority in England in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

¹⁷ This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children's Act 2002 (see section 46 adoption orders).

¹⁸ Child arrangements orders are defined in s.8 of the Children Act 1989, as amended by s.12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order.

¹⁹ See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

²⁰ A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider whose sole or main purpose is to benefit society.

Notes on criteria

- **Looked After Child or Previously Looked After Child**

If a parent or LA (where relevant) wishes to apply under this criterion it is their responsibility to ensure that all relevant paper work is submitted with the application, for example of a copy of the relevant order issued by the family court. Should a parent not submit any relevant documentation with their application it will be assumed that the parent does not wish these circumstances to be taken in to account.

- **Social and Medical Grounds**

If a child has a social and medical need that would cause significant physical and/or mental hardship, an applicant can indicate that they wish their application to be considered under social and medical grounds.

It is the applicant's responsibility to obtain an Edgbarrow School Supplementary Social and Medical Information Form which must be completed and returned to the Bracknell Forest School Admissions Team along with supporting written evidence from a professional by the given closing date. The supporting evidence for social and medical grounds should be from the relevant registered professional(s) involved with the child. Examples include registered health professionals, such as Consultant, GP, Psychologist or Psychiatrist. All evidence must be on letter headed paper and reflect the child's current situation.

This evidence must prove why **Edgbarrow School** is the **only** suitable school and why the child cannot attend another school. This evidence must be specific to the school.

It is the applicant's responsibility to provide all evidence in support of their request and it is not possible for it to be considered under this criterion if no evidence is supplied.

All schools have the resources to work with special educational needs and common childhood complaints such as asthma.

Requests will be considered in accordance with the Equalities Act 2010.

- **Staff**

Any application submitted under this criterion will be confirmed by the school to determine if the application meets the set criterion. The skills shortage area will be determined by The Governor's Admissions Committee.

Offer of a place at Edgbarrow School

Parents/Carers will be contacted either by email or phone if an offer of a place can be made at the school. Parents will then be advised of the process to start their child at the school.

Waiting list for a place(s) at Edgbarrow School

If a place cannot be offered at **Edgbarrow School** the child's name will be added to a waiting list for that year group. Bracknell Forest Council School Admissions Team on behalf of The Governors' Admissions Committee will maintain that waiting list. Pupils on the list will be placed in order according to the criteria published. Places, if they become available, will be offered to pupils from this list in strict order. Parents/Carers are requested to notify Bracknell Forest School Admissions Team if at any time they no longer wish their pupil to be considered for a place at the school. If a place cannot be offered parents will be given the right of appeal against that decision.

Appeals for a place(s) at Edgbarrow School

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code.

Appellants should contact customer.services@bracknell-forest.gov.uk for information on how to appeal.

Admission of children outside their normal age group for Edgbarrow School

Children are normally allocated to their chronological year group. Requests from parents for school places outside a normal age group will be considered carefully whether for gifted and talented pupils or for those who have experienced problems, e.g. having missed education due to ill health, etc.

Parents must submit their request alongside their In-year application and include all supporting documentation. Each case will be considered on its own merits and circumstances and in the pupil's best interest.

Oversubscription criteria

Secondary Criteria

The criteria below will be used for admission into the secondary year groups

When the school is oversubscribed, after the admission of pupils with an Education, Health and Care plan naming the school, priority for admission will be given to those children who meet the criteria set out below, in priority order:

1. Looked after children²¹ and children who were previously looked after²² but immediately after being looked after became subject to adoption, a child arrangements order²³, or special guardianship order²⁴. This also includes children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted²⁵
2. Priority will next be given to children based on their exceptional medical or social needs. Each application must include evidence, from a medical specialist or social worker involved with the child on a professional basis, of the child's need and why they must attend this school rather than any other, based on those needs. If evidence is not submitted to the local authority with the application, a child's medical or social needs cannot be considered. An additional form will need to be completed.
3. Priority will next be given to children attending the link Primary academy, King's Academy Oakwood.
4. Priority will next be given to children whose siblings currently attend King's Academy Binfield and who

²¹A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

²² This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children's Act 2002 (see section 46 adoption orders).

²³ Child arrangements orders are defined in s.8 of the Children Act 1989, as amended by s.12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order.

²⁴ See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

²⁵ A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society

will continue to do so on the date of admission.

5. Priority will next be given to children of staff members. Children whose parent(s) have, at the time of application, been employed by King's Academy Binfield for a minimum of two years at the time of making the application or who have been recruited to fill a vacant post within the school where there is a demonstrable skill shortage.

6. Priority will next be given to children living within the secondary phase catchment/designated area set out in the map at the end of this policy.

7. Other children

Tie-break

If there are still insufficient places, and no distinction can be made between the applicants within each of the criterion, they will be ranked according to the *radial distance* (straight line distance on a map) between the home and the academy. Those living nearer to the academy will be placed higher than those living further away. Radial distance will be based on the co-ordinates for the property and the school as defined in the Local Land and Property Gazetteer and based on the Ordnance Survey's national system.

Random allocation will be undertaken if the distance between a child's home and the academy is equidistance. This will be supervised by someone independent of the school.

Random allocation will not be applied to multiple birth siblings (twins and triplets etc.) from the same family tied for the final place as they will be admitted at time of allocation. For primary admissions we will admit them as permitted by the infant class size rules and exceed our PAN.

Late applications

All applications received by the LA after the deadline will be considered to be late applications. Late applications will be considered after those received on time. If, following consideration of all applicants the school is oversubscribed the child's name will be placed on the appropriate place on the school's waiting list.

Admission of children outside their normal age group

Parents may request that their child is admitted outside their normal age group. To do so parents should include a request with their application, specifying why admission out of normal year group is being requested.

Children are educated in school with others of their age group. However, parents may request that their child is exceptionally admitted outside their age group. The academy will decide whether or not the individual child's circumstances make this appropriate, taking into account the child's individual needs and abilities and considering which year group these needs can best be met.

Decisions will be made on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely.

All requests should include information about the child's circumstances which make education outside the age group

necessary. All evidence supplied should be as recent as possible and must be of the individual child's need, rather than general factors which relate to a wider group of children born at a similar time.

Parents requesting admission to an age group below the child's actual age should submit an application for the child's actual age group before the relevant closing date. The request for later admission should accompany the application. This enables the application to be processed and a school place secured in the child's actual age group if the request is refused. Parents will be informed of the outcome of their request prior to offer day

The parent will be required to contact the School Admissions Team with a request supported by evidence, for their child to be admitted into a different year group than the relevant one according to their date of birth. This request must be made before the published closing date for their child's date of birth. It is for the parent to ensure that they have submitted all relevant documentation as no further request will be made to the parent.

All request and supporting documents will be forwarded to the Trust for their decision regarding the request. The decision will be sent to the parent from the local authority.

Additionally parents offered a place in *reception* for their child have a right to defer the date their child is admitted, or to take the place up part-time, until the child reaches compulsory school age. Places cannot be deferred beyond the beginning of the final term of the school year for which the offer was made.

Children reach compulsory school age on the prescribed day following their 5th birthday (or on their fifth birthday if it falls on a prescribed day). The prescribed days are 31 August, 31 December and 31 March.

Waiting lists

The academy will operate a waiting list. Where the academy receives more applications for places than there are places available, a waiting list will operate until the end of the academic year. This will be maintained by the local authority and following an unsuccessful application his or her child's name will be placed on the waiting list.

Children's position on the waiting list will be determined solely in accordance with the oversubscription criteria. Where places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria. The waiting list will be reordered in accordance with the oversubscription criteria whenever anyone is added to or leaves the waiting list.

Appeals

Parents/carers have a statutory right of appeal if a place cannot be offered how to do this will be sent with any refusal. Appeals will be heard by an Independent Appeals Committee and must be heard within 40 school days.

Appellants should contact customer.services@bracknell-forest.gov.uk by the relevant published dates. Information on the timetable for the appeals process is on our website at <https://www.kqabinfield.uk/page/?title=Admissions&pid=69>

Notes:

Home address:

The address where the child lives at the relevant primary and secondary school closing dates will be used to process

the application. It is for the applicant to satisfy the school that they live at the address that they state.

Sibling:

‘Sibling’ means a natural brother or sister, a half brother or sister, a legally adopted brother or sister or half-brother or sister, a step brother or sister or other child living in the same household as part of the same family who, in any of these cases, will be living at the same address at the date of their application for a place.

Parents may indicate a sibling in year 11 at the school provided it is the intention of the family that the child is due to continue their studies in the sixth form at the school.

Multiple birth:

Where the academy has received applications for twins or other multiple births and when one of the siblings is the last child to be admitted the other sibling(s) will be admitted as an exception. This may mean exceeding the PAN except when it would be in breach of infant class size legislation.

Social and Medical Grounds:

If a child has a social and medical need that would cause significant physical and / or mental hardship, an applicant can indicate that they wish their application to be considered under social and medical grounds.

It is the applicants responsibility to obtain a King’s Group Academies Supplementary Social and Medical Information Form which must be completed and returned to the School Admissions Team along with supporting written evidence from a professional by the given closing date. For In-Year applications the evidence must be submitted at the time of application. The supporting evidence for social and medical grounds should be from the relevant registered professional(s) involved with the child. Examples include registered health professionals, such as Consultant, GP, Psychologist or Psychiatrist. All evidence must be on letter headed paper and reflect the child’s current situation.

This evidence must prove why King’s Academy Binfield is the **only** suitable school and why the child cannot attend another school. This evidence must be specific to the school.

It is the applicants responsibility to provide all evidence in support of their request and it is not possible for it to be considered under this criterion if no evidence is supplied.

All schools have the resources to work with special educational needs and common childhood complaints such as asthma.

Requests will be considered in accordance with the Equalities Act 2010.

FOR PRIMARY PHASE APPLICATIONS ONLY: Also considered under this criterion on social grounds will be parents who have applied for a place at their designated area school as a higher preferred school, than King’s Academy Binfield, for a primary aged older child by the published closing date and the admission authority have been unable to meet this preference and a place has been allocated to this older child at King’s Academy Binfield. If the parent then wishes to apply for King’s Academy Binfield by the published closing date for their younger child (and the older child will still be attending the primary phase of the school at the date of admission of the younger child) then the applicant must record this information on their application for that younger child that they consider this criterion applies and ensure all relevant information is supplied.

If a parent moves house or chooses not to accept the offer of a place at their designated area school then this information will have been recorded by the admission authority at the time and will be used in the decision making process as to whether a younger child will be accepted as fulfilling this criterion.

In-Year Admissions 2026/27

King's Academy Binfield is part of Bracknell Forest Co-ordinated Admissions Scheme for In-Year Admissions for Reception, Year 1, Year 2, Year 3, Year 4, Year 5, Year 6, Year 7, Year 8, Year 9, Year 10, and Year 11. Parents/ carers wishing to apply for a place at the school should refer to the [Bracknell Forest website](#) for information on how to apply.

The criteria below will be used for admission into the primary and secondary year groups.

The admission authority is required by law to admit all pupils with an Educational Health and Care Plan, which names King's Academy Binfield in the Plan.

The admission authority will then admit all applicants if it is possible to do so without exceeding the admission number determined for the year and in accordance to the following criteria:

1. Looked after children²⁶ and children who were previously looked after²⁷ but immediately after being looked after became subject to adoption, a child arrangements order²⁸, or special guardianship order²⁹. This also includes children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted³⁰
2. Priority will next be given to children based on their exceptional medical or social needs. Each application must include evidence, from a medical specialist or social worker involved with the child on a professional basis, of the child's need and why they must attend this school rather than any other, based on those needs. If evidence is not submitted to the local authority with the application, a child's medical or social needs cannot be considered. An additional form will need to be completed.
3. Priority will next be given to children whose siblings currently attend the academy and who will continue to do so on the date of admission.
4. Priority will next be given to children of staff members. Children whose parent(s) have, at the time of application, been employed by King's Academy Binfield for a minimum of two years at the time of making the application or who have been recruited to fill a vacant post within the school where there is a demonstrable skill shortage.
5. Priority will next be given to children living within the relevant phase catchment/designated area set out in the map at the end of this policy.
6. Other children

²⁶A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

²⁷ This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children's Act 2002 (see section 46 adoption orders).

²⁸ Child arrangements orders are defined in s.8 of the Children Act 1989, as amended by s.12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order.

²⁹ See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

³⁰ A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society

Tie-break

If there are still insufficient places, and no distinction can be made between the applicants within each of the criterion, they will be ranked according to the *radial distance* (straight line distance on a map) between the home and the academy. Those living nearer to the academy will be placed higher than those living further away. Radial distance will be based on the co-ordinates for the property and the school as defined in the Local Land and Property Gazetteer and based on the Ordnance Survey's national system.

Random allocation will be undertaken if the distance between a child's home and the academy is equidistance. This will be supervised by someone independent of the school.

Random allocation will not be applied to multiple birth siblings (twins and triplets etc.) from the same family tied for the final place as they will be admitted at time of allocation. For primary admissions we will admit them as permitted by the infant class size rules and exceed our PAN.

Waiting lists

Waiting lists will be maintained for the academic year for which you have applied and will be based in-line with the published admissions criteria. Pupils admitted under the Bracknell Forest Fair Access Protocol will take priority over children on the waiting list.

Appeals

Parents/carers have a statutory right of appeal if a place cannot be offered how to do this will be sent with any refusal. Appeals will be heard by an Independent Appeals Committee and must be heard within 30 school days.

KING'S ACADEMY EASTHAMPSTEAD PARK

Introductory statement

We seek to develop students who have a strong sense of community, both locally and globally, who are confident, able to lead others and bring about positive change. We work hard to foster a **strong three way partnership between parents, students and the school and believe that having these bonds is essential if our pupils are to achieve their full potential**. Our sense of community is built around the quality of relationships between staff, students and parents with the emphasis on respect and pride. All members of our community need to communicate clearly and work together.

Admission number(s)

King's Academy Easthampstead Park has an admission number of **210** for entry in year 7 in 2026

Application process

Parents will be able to apply for a place at the school by applying to their home local authority. For Bracknell Forest residents they will be able to use the Bracknell Forest online application process, or by using a paper application if they prefer. Information about how to do this will be available in the Guide to Secondary Education in Bracknell 2026/27 which will be available from 12 September 2025 on the [Bracknell Forest website](#).

The closing date for applications is 31 October 2025.

Oversubscription criteria

When the school is oversubscribed, after the admission of pupils with an Education, Health and Care plan naming the school, priority for admission will be given to those children who meet the criteria set out below, in priority order:

After this requirement has been satisfied the following rules will apply:

- (A) Looked After Children³¹ and all previously looked after children. Previously looked after children are children who were looked after, but ceased to be so because they were adopted³² (or became subject to a child arrangements order).

³¹ A 'looked after child' is a child who is (a) in the care of a local authority in England, or (b) being provided with accommodation by a local authority in England in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

³² This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children's Act 2002 (see section 46 adoption orders).

order³³ or special guardianship order³⁴) immediately following having been looked after. This also includes those children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted³⁵

- (B) Children who have either medical or social grounds for admission to the school. This evidence must set out the particular reason why the school is the only suitable school and the difficulties caused if the child had to attend another school. The Admission Authority's decision in these matters is final.
- (C) Children of staff at the school.
 - 1. Where a member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made; and/or
 - 2. the member of staff is recruited to fill a vacant post for which there is demonstrable skill shortage.
- (D) Children who live in the **designated area** of the school and who have a **sibling*** who will still be attending the school at the time of the child's admission.
- (E) Children who live in the **designated area** of the school.
- (F) Children who do not live in the designated area of the school but who have a **sibling*** at the school, and who will still be attending school at the time of the child's admission.
- (G) All other children.

Children must be living in the designated area at the closing date of 31 October 2025 to be considered under this criterion.

Tie-break

If there are still insufficient places, and no distinction can be made between the applicants within each of the criterion or if they do not fulfil any of the above criteria, applications will be ranked on the *radial distance* (straight line distance on a map) between the home and the school. Those living nearer to the school will be placed higher than those living further away. Radial distance will be based on the co-ordinates for the property and the school as defined in the Local Land and Property Gazetteer and based on the Ordnance Survey's national system.

For non Bracknell Forest residents the residential property co-ordinates used will be that which is provided by the home local authority. For new build properties these co-ordinates may not yet be finalised by the Local Land and Property Gazetteer and therefore the co-ordinates available as of the closing date for applications will be used.

Distances are measured using direct distance calculations within a computer system. The measurement of each distance has been calculated using Pythagoras' Theorem.

If in the event that two or more children live at the same distance from school and there are fewer places available then random allocation will be used to decide which child will be allocated the remaining place(s). The process will be drawn and scrutinised by people who are independent of the Council. Random allocation will not be used for multiple birth siblings (twins, triplets etc) from the same family tied for the final place.

³³ Child arrangements orders are defined in s.8 of the Children Act 1989, as amended by s.12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order.

³⁴ See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

³⁵ A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

Late applications for Year 7 September 2026 for a place at King's Academy Easthampstead Park

If an application is received after the deadline of 31 October 2025, this will be considered 'late' and will be processed in line with the Local Authority late procedure as defined in the Local Authority Co-ordinated Scheme.

Admission of children outside their normal age group

Children are normally allocated to their chronological year group. Requests from parents for school places outside a normal age group will be considered carefully whether for gifted and talented pupils or for those who have experienced problems, e.g. having missed education due to ill health, etc.

In line with the Local Authority Co-ordinated Scheme parents must submit their request alongside their application and include all supporting documentation. Each case will be considered on its own merits and circumstances and in the pupil's best interest.

Waiting lists

The academy will operate a waiting list. Where the academy receives more applications for places than there are places available, a waiting list will operate until the end of the academic year. This will be maintained by the local authority and following an unsuccessful application his or her child's name will be placed on the waiting list.

Children's position on the waiting list will be determined solely in accordance with the oversubscription criteria. Where places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria. The waiting list will be reordered in accordance with the oversubscription criteria whenever anyone is added to or leaves the waiting list.

Appeals

Parents/carers have a statutory right of appeal if a place cannot be offered how to do this will be sent with any refusal. Appeals will be heard by an Independent Appeals Committee and must be heard within 40 school days.

Appellants should contact customer.services@bracknell-forest.gov.uk for information on how to appeal. Information on the timetable for the appeals process is on the school's website.

Notes:

Home address:

The address where the child lives at the closing date for applications will be used to process on time applications. All addresses will be checked via the Revenue Services department. If any discrepancies are found it remains the applicant's responsibility to satisfy the Admissions Authority that they live at the address that they state. If fraud is suspected, then further proof may be requested. If fraud is established and a school place has been obtained as a result of a fraudulent application, then any offer of a school place will be withdrawn and the application considered afresh.

If a parent/carer owns a property which they do not occupy and/or rent out and then move into another property nearer or within the designated area of the preferred school, then it is for the applicant to provide sufficient evidence to satisfy the Local Authority that the new address is that of the property in which they reside in, to allow that address to be used to determine any relevant criteria.

If an applicant already owns and resides in a property which is in the process of being sold, Bracknell Forest is able to consider the address of the new property on submission of:

- a solicitor's letter showing completion has taken place of sale for the old property and,
- a solicitor's letter showing completion has taken place on the new property. Or,
- Current rental agreement, signed by yourself and the Landlord for the new property.

It is for the applicant to provide sufficient evidence to satisfy the Local Authority that the new address is that of the property where the child resides.

The address used on an application must be a permanent address; temporary addresses can only be considered where evidence is provided of a genuine reason for the move.

Child arrangements orders - It is increasingly common that parents are agreeing, and courts are endorsing, child arrangements orders (previously called shared residence orders) under Section 8 of The Children Act 1989. Further advice on this matter can be obtained from the School Admissions Team. Any details regarding these arrangement orders, or the child's living arrangements, must be submitted at the time of application. It is the parents' responsibility to provide this information. As a general rule shared residence is based (for admissions purposes) on the number of school nights a child spends at each home. The LA or King's Group Academies may take legal advice on these matters as they relate to a specific case. A main address will need to be used to process the application. If the second parent/carer's address is different from the first they will not receive any information/letters.

Sibling:

Refers to a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling. For a secondary school place this does not include those siblings in the school 6th form.

Multiple birth:

Where the school has received applications for twins or other multiple births and when one of the siblings is the last child to be admitted under the oversubscription criteria, the other sibling(s) may be admitted above the PAN.

Social and Medical Grounds:

If a child has a social and medical need that would cause significant physical and / or mental hardship, an applicant can indicate that they wish their application to be considered under social and medical grounds.

It is the applicants responsibility to obtain a King's Academy Easthampstead Park Supplementary Social and Medical Information Form which must be completed and returned to the School Admissions Team along with supporting written evidence from a professional by the given closing date. For In-Year applications the evidence must be submitted at the time of application. The supporting evidence for social and medical grounds should be from the relevant registered professional(s) involved with the child. Examples include registered health professionals, such as Consultant, GP, Psychologist or Psychiatrist. All evidence must be on letter headed paper and reflect the child's current situation.

This evidence must prove why King's Academy Easthampstead Park is the **only** suitable school and why the child cannot attend another school. This evidence must be specific to the school.

It is the applicants responsibility to provide all evidence in support of their request and it is not possible for it to be considered under this criterion if no evidence is supplied.

All schools have the resources to work with special educational needs and common childhood complaints such as

asthma.

Requests will be considered in accordance with the Equalities Act 2010.

In-Year Admissions 2026/27

King's Academy Easthampstead Park is part of Bracknell Forest Co-ordinated Admissions Scheme for In-Year Admissions. Parents/ carers wishing to apply for a place at the school should refer to the [Bracknell Forest website](#) for information on how to apply.

Pupils admitted under the agreed Bracknell Forest Fair Access Protocol may take priority over children on the Waiting List.

The Criteria for a place at King's Academy Easthampstead Park

The admission authority is required by law to admit all pupils with an Educational Health and Care Plan, which names King's Academy Easthampstead Park in the Plan.

The admission authority will then admit all applicants if it is possible to do so without exceeding the admission number determined for the year and in accordance to the following criteria:

- (A) Looked After Children³⁶ and all previously looked after children. Previously looked after children are children who were looked after, but ceased to be so because they were adopted³⁷ (or became subject to a child arrangements order³⁸ or special guardianship order³⁹) immediately following having been looked after. This also includes those children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted⁴⁰
- (B) Children who have either medical or social grounds for admission to the school. This evidence must set out the particular reason why the school is the only suitable school and the difficulties caused if the child had to attend another school. The Admission Authority's decision in these matters is final.
- (C) Children of staff at the school.
 - 1. Where a member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made; and/or
 - 2. the member of staff is recruited to fill a vacant post for which there is demonstrable skill shortage.
- (D) Children who live in the **designated area** of the school and who have a **sibling*** who will still be attending the school at the time of the child's admission.
- (E) Children who live in the **designated area** of the school.
- (F) Children who do not live in the designated area of the school but who have a **sibling*** at the school, and who will still be attending school at the time of the child's admission.

³⁶ A 'looked after child' is a child who is (a) in the care of a local authority in England, or (b) being provided with accommodation by a local authority in England in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

³⁷ This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children's Act 2002 (see section 46 adoption orders).

³⁸ Child arrangements orders are defined in s.8 of the Children Act 1989, as amended by s.12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order.

³⁹ See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

⁴⁰ A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

(G) All other children.

*Sibling does not include those in the 6th form of the school.

Tie-break

If there are still insufficient places, and no distinction can be made between the applicants within each of the criterion or if they do not fulfil any of the above criteria, applications will be ranked on the *radial distance* (straight line distance on a map) between the home and the school. Those living nearer to the school will be placed higher than those living further away. Radial distance will be based on the co-ordinates for the property and the school as defined in the Local Land and Property Gazetteer and based on the Ordnance Survey's national system.

For non Bracknell Forest residents the residential property co-ordinates used will be that which is provided by the home local authority. For new build properties these co-ordinates may not yet be finalised by the Local Land and Property Gazetteer and therefore the co-ordinates available as of the closing date for applications will be used.

Distances are measured using direct distance calculations within a computer system. The measurement of each distance has been calculated using Pythagoras' Theorem.

Admission of children outside their normal age group

Children are normally allocated to their chronological year group. Requests from parents for school places outside a normal age group will be considered carefully whether for gifted and talented pupils or for those who have experienced problems, e.g. having missed education due to ill health, etc.

Parents must submit their request alongside their application and include all supporting documentation. Each case will be considered on its own merits and circumstances and in the pupil's best interest.

Waiting lists

The academy will operate a waiting list. Where the academy receives more applications for places than there are places available, a waiting list will operate until the end of the academic year. This will be maintained by the local authority and following an unsuccessful application his or her child's name will be placed on the waiting list.

Children's position on the waiting list will be determined solely in accordance with the oversubscription criteria. Where places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria. The waiting list will be reordered in accordance with the oversubscription criteria whenever anyone is added to or leaves the waiting list.

Appeals

Parents/carers have a statutory right of appeal if a place cannot be offered how to do this will be sent with any refusal. Appeals will be heard by an Independent Appeals Committee and must be heard within 30 school days.

Appellants should contact customer.services@bracknell-forest.gov.uk for information on how to appeal. Information on the timetable for the appeals process is on the school's website.

Notes:

It is the applicants responsibility to obtain a King's Academy Easthampstead Park Supplementary Social and Medical Information Form which must be completed and returned to the School Admissions Team along with supporting written evidence from a professional by the given closing date. Analysis of admissions 2025

1. Introduction

1. This document sets out the admission arrangements of Ranelagh School.
2. For the purposes of this policy, the Bonitas Multi-Academy Trust is the admission authority.
3. The Governors have made every effort to ensure that these arrangements comply with the School Admissions Code 2021 and all relevant legislation, including that on equal opportunities.
4. Whilst having regard for the Diocesan guidelines, Ranelagh continues to use faith-based admissions criteria in accordance with the School Admissions Code.
5. Ranelagh operates the equal preference scheme detailed in the Bracknell Forest Council Co-ordinated Scheme for Secondary Admissions and complies with Bracknell Forest's timeline for admissions.
6. We will not normally investigate anonymous complaints. However, the Headteacher or Chair of Governors, if appropriate, will determine whether the complaint warrants an investigation.

2. Ethos statement

1. Our school vision and values are based on: 'Though we are many, we are one body' [Eucharistic Prayer, Common Worship]. Following the ministry of Jesus, we empower all to use their gifts in faithful service. We inspire and encourage each individual to develop and nurture unique skills, interests and talents, in order that they can flourish. Our school is a unifying heartbeat, enabling everyone to feel welcomed and valued as members of our community.
2. Ranelagh School has a distinctive Christian ethos which is at the centre of school life.
3. As a church school, we welcome applications from Christian families, and those of other faiths and worldviews.

3. Process for applying for admission to Year 7 in September 2026

1. Ranelagh School has a published admission number [PAN] of 180 pupils for entry into Year 7.
2. Parents [see note 1] should apply for admission to the school using the Common Application Form provided by their home Local Authority, the one in which the child lives at the time of the application, by the national closing date of 31st October 2025.
3. Applications made after this date to the home Local Authority will normally be considered after those received on or before 31st October 2025.
4. If Ranelagh has been named on the Common Application Form, applicants should also complete and submit the Ranelagh School Supplementary Information Form by 30th November 2025 otherwise the application will be placed in Category 7 of the oversubscription criteria.
5. The onus is on applicants to complete and submit the verified Supplementary Information Form, which may be obtained from Ranelagh School or via the School's website. Receipt will be acknowledged by the school.

6. For faith-based applications, only one parent's or carer's attendance at public worship will be considered in accordance with the Diocese of Oxford recommendation, in order to avoid discrimination against single parent families.
7. The Local Authority will inform parents of the offer of a place on behalf of the Governors on the national offer date 1st March 2026 or next working day.
8. Should 180 or fewer applications be received all applicants will be admitted.
9. If there is greater demand for admission than there are places available, the oversubscription criteria will be applied in the order set out below.
10. In all categories, the final tiebreaker will be distance from the school [as defined below].
11. The school will admit any pupils whose Education, Health and Care Plan [EHCP] names Ranelagh.

4. Oversubscription Criteria

- 1) Looked-after children and children who were previously looked after, including those children who appear to have been in state care outside England, but ceased to be so as a result of being adopted [see note 2].
- 2) Children who can demonstrate a significant social and medical need which can only be met by attending Ranelagh School rather than any other school due to their own, or a family member's, exceptional circumstances [see note 3].
- 3) Children of staff [see note 4]
 - a) where the member of teaching or non-teaching staff has held a permanent contract of employment for a minimum of 15 hours per week, for at least 2 consecutive years
 - b) or where the member of teaching or non-teaching staff was recruited to fill a vacant post for which there is a demonstrable skill shortage.
- 4) Children of applicants who have attended public worship [see note 5] in the twenty-four months prior to the date of the application at a Church of England Church or other Christian Church [see note 6] AND who have a sibling [see note 7] attending Ranelagh at the time of application. Priority will be given to applicants with the greatest number of points reflecting the number of times the applicant has attended public worship prior to the date of the application [see note 5].
- 5) Children of applicants who have attended public worship [see note 5] in the twenty-four months prior to the date of the application at a Bracknell and Sonning Deanery Church of England Church. Priority will be given to applicants with the greatest number of points reflecting the number of times the applicant has attended public worship prior to the date of the application [see note 5].
- 6) Children of applicants who have attended public worship [see note 5] in the twenty-four months prior to the date of the application at any other Christian Church which ascribes to the doctrine of the Holy Trinity [see note 6]. Priority will be given to applicants with the greatest number of points reflecting the number of times the applicant has attended public worship prior to the date of the application [see note 5].
- 7) All other children. Priority will be given to applicants whose child will have a sibling [see note 7] attending the school when the application is made.

Note 1

"Parent" is defined in law (The Education Act 1996) as either:

- any person who has ‘parental responsibility’ (defined in the Children Act 1989) for the child or young person; or
- any person who has care of the child or young person.

Note 2

By a “looked-after child” we mean one in the care of a local authority or being provided with accommodation by a local authority in the exercise of its social services function.

Previously looked after children are children who have been adopted, subject to child arrangement orders or special guardianship orders. Adopted children are those for whom an adoption order is made under the Adoption Act 1976 (Section 12) or the Adoption and Children Act 2002 (Section 46).

A ‘child arrangements order’ is one settling the arrangements to be made as to the person with whom the child is to live (Children Act 1989, Section 8, as amended by the Children and Families Act 2014, Section 14).

A ‘special guardianship order’ is one appointing one or more individuals to be a child’s special guardian/s (Children Act 1989, Section 14A).

Applications under this criterion must be accompanied by evidence to show that the child is looked after or was previously looked after (e.g. a copy of the adoption, child arrangements or special guardianship order).

Evidence that a child from outside England was previously in state care will be required to come within this criterion. A child is regarded as having been in state care outside England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

Relevant evidential documentation to support your application must be provided with the Supplementary Information Form.

Note 3

Relevant evidential documentation to support your application must be provided with the Supplementary Information Form in the form of a letter from a doctor or social worker or other relevant qualified, independent professional.

The supporting evidence must clearly demonstrate why Ranelagh School is the only school suitable and must illustrate the difficulties that would be caused if your child had to attend another school.

Medical, health, social and special access reasons will be applied in accordance with the school’s legal obligations and does not guarantee that a child will be given priority as each decision will be made on the merits of the individual case.

The school reserves the right to ask for further evidence or clarification where necessary and may seek the advice of appropriate professionals where necessary. The Admission Authority’s decision is final.

Note 4

The staff member’s normal base of work should have been continuously at Ranelagh School. Bonitas Central services staff based at Ranelagh School would not (normally) be included under this definition.

The child’s normal place of residence must be with the member of staff.

Please provide a confirmation letter from HR with the Supplementary Information Form.

Note 5

To accommodate difficult patterns of work and family relationships, account should also be taken of weekday public worship.

Applicants wishing to apply against faith-based criterion should complete a Supplementary Information Form.

It is the parent or carer who is the applicant and only one parent's or carer's attendance is considered when applying the oversubscription criteria. Whilst the child's attendance at Church is not a requirement, they should be encouraged to attend.

Attendance will be established by information provided on the Supplementary Information Form[s] verified by a Parish Priest or other designated Church Leader.

Online worship and private prayers in the Church building do not meet the attendance requirement.

Applicants are advised to check with their place of worship as to how attendance at services is recorded, as every place of worship does this differently.

Number of times the applicant has attended public worship prior to the date of the Application	Total Points
Two or more times per month [for at least 20 of the preceding 24 months]	5 points
Once a month [for at least 20 of the preceding 24 months]	4 points
Two or more times per month [for at least 10 of the preceding 12 months]	3 points
Once a month [for at least 10 of the preceding 12 months]	2 points
Once every 2 months [for at least 10 of the preceding 12 months]	1 point
Please note that the minimum number of points for attendance at public worship is 1 point	

In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

Note 6

For the purposes of these admission arrangements 'other Christian Church' means a church which ascribes to the doctrine of the Holy Trinity.

Note 7

Sibling is defined in these arrangements as children who live as brother or sister in the same family unit at the same address, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters.

It is helpful if parents make it clear on the Supplementary Information Form where the sibling has a different family name.

In cases where there is one place available, and the next child on the list is a twin, triplet, etc., we would admit both twins [and all the children in the case of other multiple births].

Home address

By normal home address, we mean the child's home address. This must be where the parent or legal carer of the child lives with the child unless it is proved that the child is resident elsewhere with someone else who has legal care and control of the child.

The address where the child lives at the closing date of 31 October 2025 will be used to process on time applications.

All addresses will be checked via the Bracknell Forest Revenue Services department. If any discrepancies are found it remains the applicant's responsibility to satisfy the Admissions Authority that they live at the address that they state. If fraud is suspected, then further proof may be requested. If fraud is established and a school place has been obtained

as a result of a fraudulent application, then any offer of a school place will be withdrawn and the application considered afresh.

If a parent or carer owns a property which they do not occupy and/or rent out and then move into another property within, or nearer to the designated area of the preferred school, then it is for the applicant to provide sufficient evidence to satisfy the Local Authority that the new address is that of the property in which they reside in, to allow that address to be used to determine any relevant criteria.

If an applicant already owns and resides in a property which is in the process of being sold, Bracknell Forest is able to accept the address of the new property on submission of the appropriate evidence in support of the move eg, a solicitor's letter showing completion. It is for the applicant to provide sufficient evidence to satisfy the Local Authority that the new address is that of the property where the child resides.

The address used on an application must be a permanent address; temporary addresses can only be considered where evidence is provided of a genuine reason for the move.

Where a child lives with parents with shared responsibility, each for part of a week or month, the address where the child lives will be determined having regard to a joint declaration from the parents stating the exact pattern of residence. As a general rule shared residence is based (for admissions purposes) on the number of school nights a child spends at each home. The School Admissions Team may take legal advice on these matters as they relate to a specific case. A main address will need to be used to process the application. If the second parent/carer's address is different from the first they will not receive any information/letters.

There are special arrangements for families of UK service personnel with a confirmed posting or Crown Servants returning from overseas. An official letter declaring a relocation date and a Unit postal address or quartering area address or proof of intended address will be used when considering the application against the oversubscription criteria.

Distance

The distance used to determine proximity of the home to the school will be determined on behalf of Ranelagh by Bracknell Forest as detailed in their Co-ordinated Scheme for Secondary Admissions*.

In applying distance as a tiebreak those living nearer to the school will be given priority over those living further away. In the event that two distance measurements are identical, (two or more children live at the same distance from the school as can happen with families living in blocks of flats) the school will use random allocation (in accordance with 1.34 and 1.35 of the School Admissions Code) to decide which child should be offered the place. The process will be conducted in the presence of a person independent of the school.

**Radial distance will be based on the co-ordinates for the property and the school as defined in the Local Land and Property Gazetteer and based on the Ordnance Survey's national system. For new build properties these co-ordinates may not yet be finalised by the Local Land and Property Gazetteer and therefore the co-ordinates available as of the closing date for applications will be used.*

Distances are measured using direct distance calculations within a computer system. The measurement of each distance has been calculated using Pythagoras' Theorem. The way in which this is done is to calculate the distance in metres between the Easting and Northing co-ordinates for each location. The measurement in metres is then multiplied by 0.000621318 to convert this measurement to miles. The same method of calculation is used for each direct distance measured.

5. Admission of children outside their normal age group

1. Parents may request that their child is admitted to a year group outside their normal age range, for instance where a child has suffered from particular social or medical issues impacting on their schooling.
2. Parents should submit any evidence in support of their case with the application, for instance from a medical practitioner, headteacher, etc.
3. The school will consider each case on its merits, taking into account the individual circumstances of the request and the child's best interests.
4. If a request is refused, the child will still be considered for admission to their normal age group.
5. We will also ensure the parent is aware of whether the request for admission out of age group has been agreed before final offers are made, and the reason for any refusal.
6. Requests for admission out of the normal year group will be considered alongside other applications made at the same time.

6. Waiting Lists

1. Where the school receives more applications for Year 7 than there are places available, a waiting list will operate until the end of the academic year.
2. Children of unsuccessful applicants will be automatically placed on the waiting list in the ranked order according to the oversubscription criteria.
3. The order of priority on the waiting list is the same as the list for over subscription criteria and does not depend on the date on which the application is received. The waiting list will be reordered in accordance with the oversubscription criteria whenever anyone is added to or leaves it.
4. The waiting list applies to each academic year and a new application (including In-Year Application Form and the Ranelagh Supplementary Information Form) must be made to apply for a place in each subsequent academic year, in accordance with the in-year application process.

7. Fair Access

Ranelagh School participates in Bracknell Forest's Fair Access Protocol. Children qualifying under the Fair Access Protocol may be offered a place even if there are no places available in the relevant year group and also take priority for admission over any child on the waiting list.

8. Appeal procedure

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code. Appellants should contact the Admissions Officer at Ranelagh School by emailing admissions@ranelagh.bonitas.org.uk within 20 days of the date of the letter refusing your child a place at the school for information on how to appeal. Information on the timetable for the appeals process is on our website at [https://www.ranelagh.bonitas.org.uk/Join- Us/Admissions-Years-7-11/](https://www.ranelagh.bonitas.org.uk/Join-Us/Admissions-Years-7-11/)

9. In-year admissions or admission at the beginning of school years 8 – 11

1. Admission to the school during the school year depends on whether or not there are places available.
2. It is the Governors' policy to restrict the size of year groups to the original PAN or the agreed admission number for the relevant year group.

3. Application for admission at the beginning of school years 8 – 11 must be made in accordance with Bracknell Forest's timeline for admissions.
4. In-year applications may be made at any time for admission to Ranelagh. The In-Year Application Form must be returned to Bracknell Forest and the Supplementary Information Form [if appropriate] to Ranelagh School.
5. Parents may request that their child is admitted to a year group outside their normal age range by completing the admission out of chronological year group request form on the Bracknell Forest website. The school will consider each case on its merits, taking into account the individual circumstances of the request and the child's best interests.
6. There are special arrangements for families of UK service personnel with a confirmed posting or Crown Servants returning from overseas. If the application is accompanied by an official letter that declares the relocation date, the application will be considered against the oversubscription criteria even though there is not an intended address or the family is not yet living in the area.
7. Where the year group is full, children will be automatically placed on the waiting list for the remainder of the academic year in the ranked order according to the oversubscription criteria.
8. The order of priority on the waiting list is the same as the list for over subscription criteria and does not depend on the date on which the application is received. The waiting list will be reordered in accordance with the oversubscription criteria whenever anyone is added to or leaves it.
9. A new application (including In-Year Application Form and Ranelagh Supplementary Information Form, if appropriate) must be made to apply for a place in each subsequent academic year.
10. The Governors will not accept repeat applications for the same child in any one year [but applicants may ask Governors to reconsider an application if there has been a material change of circumstances].
11. In appropriate cases the Governors will have full regard to the Bracknell Forest's Fair Access Protocol.
12. All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code. Appellants should contact the Admissions Officer at Ranelagh School, by emailing admissions@ranelagh.bonitas.org.uk within 20 days of the date of the letter refusing your child a place at the school for information on how to appeal.

Admission to the Sixth Form [Year 12]

1. Introduction

1. The school welcomes students from outside Ranelagh [external students], as well as current Year 11 students attending Ranelagh at the time of application [internal applicants] to apply to join the sixth form. This document sets out the admission arrangements of Ranelagh School.
2. Students will be admitted into Year 12 on the understanding that they have a desire to benefit from the programmes available to them and a commitment to meet the appropriate study requirements.
3. External applicants are expected to be aware of the Anglican Foundation and ethos of Ranelagh and to be able to work within it.

2. Applications

1. Internal applicants must complete a Ranelagh sixth form application which is available internally on the school system.

2. External applicants must complete a Ranelagh sixth form application which is available from the school office or on the school website.

3. External applicants should provide verification of their predicted grades, validated by their current school. All applicants must state their chosen subjects.

3.Entry Criteria

1. To determine eligibility for admission into the sixth form, Ranelagh Sixth Form has specific criteria in relation to minimum entrance requirements for Year 12 based on GCSE grades or equivalent or other measures of prior attainment. For studying at level 3 which will be 5 or more GCSE grades 5- 9 (or equivalent), all of which must be full GCSE courses or equivalent.

2. Ranelagh also has academic entry requirements for each particular course available based upon GCSE grades or other measures of prior attainment.

3. These criteria will be the same for internal and external students and will be published in the Sixth Form course guide.

4. Young people who do not meet the grades for their preferred course option will be offered alternative courses in line with their preferences where available.

5. In exceptional circumstances (for example, interruptions to study during Key Stage 4 resulting from prolonged illness or due to relocation) the school will reserve the right to admit a student who is not able to demonstrate the normally required level of prior attainment.

6. The school will admit any young people whose Education, Health and Care Plan [EHCP] names Ranelagh provided they meet the general sixth form entry criteria.

4.Oversubscription Criteria

1. Oversubscription criteria will be applied if the number of external applicants exceeds the available number of places.

2. Offers will be made to applicants who have applied by the deadline, 1st December 2025, if:

- There are spaces available on all of the applicant's chosen courses
- The applicant is predicted to meet the academic requirements for all of the courses for which they have applied, as well as the general entry criteria.

3.If both of the above criteria are met, priority will be given according to the order below:

1) Looked-after children and children who were previously looked after, including those children who appear to have been in state care outside England, but ceased to be so as a result of being adopted [see note 2].

2) Children of staff [see note 4]

- A. where the member of teaching or non-teaching staff has held a permanent contract of employment for a minimum of 15 hours per week, for at least 2 consecutive years
- B. or where the member of teaching or non-teaching staff was recruited to fill a vacant post for which there is a demonstrable skill shortage.

3) Applicants whose home address is nearest to the school.

4. Any offer of a place will indicate which courses are available to an applicant, and whilst the offer of a place will remain valid, students' options will be governed by availability in particular subjects.

5. The school will do its best to accommodate external students on their preferred courses but courses may become full or not be viable, so an offer of a place cannot guarantee entry to a preferred course of study.
6. External students whose applications cannot be accommodated may be placed on a waiting list which will be used to fill any vacancies arising before Year 12 studies commence.

5. The BTFC Academy in Sport and Physical Activity [Sports Coaching Pathway Level 3]

1. To study the BTFC Academy NCFE Sport Extended Diploma (equivalent to 3 A Levels) applicants must fill in an application form for the BTFC Academy, in partnership with Ranelagh School, which is available from the school office and on the school website.
2. A student wishing to take the sports coaching pathway must achieve a best 8 score* at GCSE of 40 points or more.
3. The minimum GCSE grade for English and Mathematics is a 3 grade. Students will continue to study GCSE English Language and/or Mathematics until they achieve GCSE 4 grade or better in both of these subjects.
4. Each student must demonstrate an aptitude for a specific sport as established through a trial process.
5. In exceptional circumstances (for example, interruptions to study during Key Stage 4 resulting from prolonged illness or due to relocation) the school will reserve the right to admit a student who is not able to demonstrate the normally required level of prior attainment.

*a best 8 score is calculated by adding up the points achieved by a student in their best eight subjects at GCSE including English and Mathematics. Please note that the scores for the student's GCSE Mathematics and their best GCSE English result will be doubled.

6. Allocation Process

1. Places in Year 12, or on a particular course of study, will be offered first to those who are studying at Ranelagh in Year 11 and then to external applicants.
2. The number of places offered to external applicants [PAN] will be 15. The PAN is based on an estimate of the minimum number of external applicants likely to be admitted, although this may be exceeded if demand for available courses can be met.

7. Application process

1. Application forms will be available from the date of the sixth form open evening which will be held in the Autumn Term prior to the year of admission and details will be available on request from the school and on the school website.
2. Applications must be received by the closing date for applications, as detailed on the application form.
3. Applications received after this deadline will be treated as late applications. Late applications are those which are received after the closing date and so cannot be considered with the field of on- time applications.
4. External applicants who apply by the closing date will be invited to an informal chat with the Sixth Form Team about their subject choices and aspirations in the Spring Term. The purpose of the meeting is to explain the options available in the sixth form and the entry requirements for the courses. It does not form part of the admissions decision.
5. Provisional offers will be made by the end of the Spring Term.
6. Applicants are required to accept or decline the allocated place, by emailing the school, admissions@ranelagh.bonitas.org.uk, within two weeks from the date of the offer letter and failure to respond may result in the offer of a place being withdrawn.

7. Applicants should advise the school at any stage if they make a subsequent decision not to accept the offer of a place.

8. Confirmation of places

1. All internal and external places are conditional on the student meeting the entry requirements in general and for their chosen subjects in particular.
2. External applicants must advise Ranelagh of their GCSE results as soon as they receive them, in order that their place can be confirmed.
3. Offers of a place may be withdrawn where there is evidence of a fraudulent or intentionally misleading application.

9. Applications after the start of Year 12

1. Applications to Year 12 or 13 made after the start of the year (together with those remaining on the waiting list) will be considered at the Governors' discretion and in the light of any available capacity for the study sought and the appropriateness of joining an existing course of study after its commencement.
2. Applications by students who wish to re-sit or re-take a full year will not be accepted. Exceptions to this may be considered if the student can demonstrate there are exceptional circumstances outside of the control of the student or the institution, such as a period of long-term sickness. In cases such as these, students will be admitted at the discretion of the Headteacher, and will be asked to provide evidence of the exceptional circumstances.

10. Right of Appeal

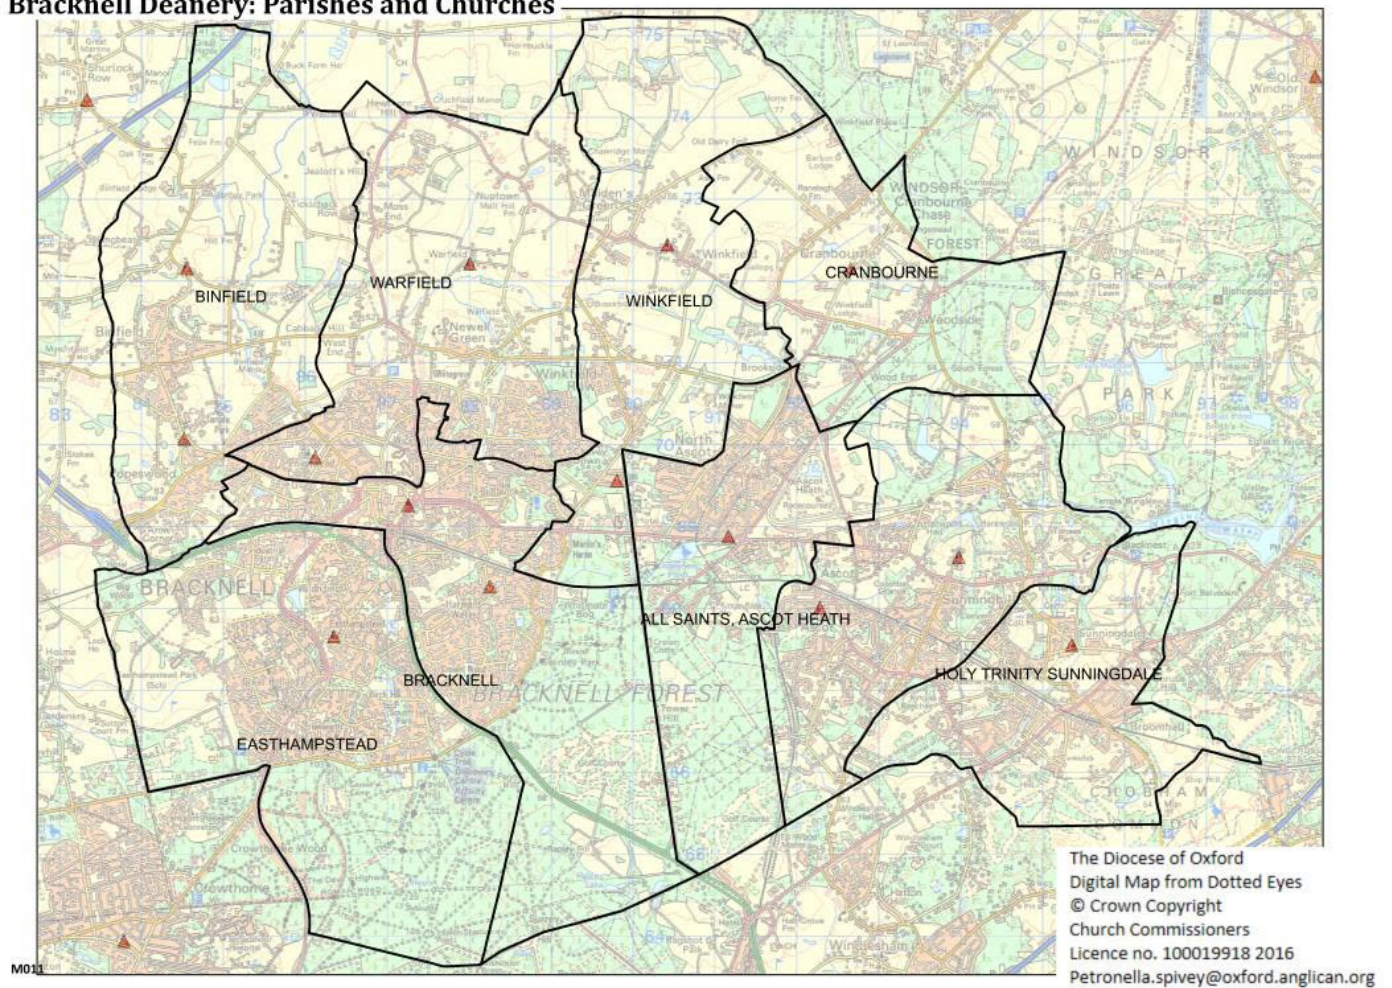

In accordance with the Schools Standard and Framework Act 1988, applicants who have been refused a place have a right of appeal. Parents and children are able to appeal jointly or separately against any decision refusing a child admission and where they appeal separately for the same school, the appeals must be heard together. These procedures will be made known at the time of notification.

The Corvus Learning Trust has delegated to The Governors' Admissions Committee of Sandhurst School the responsibility for administering admissions to the school. The Governors' Admissions Committee works in close collaboration with Local Authorities to manage the admission process for parents and carers and have appointed Bracknell Forest Council to manage all aspects of admissions on their behalf.

The Governors' Admissions Committee have set the following admission arrangements in accordance with the applicable legislation and the School Admissions Code. They conform to the requirements of the Bracknell Forest Council's coordinated admissions arrangements.

Published Admission Number (PAN) for Year 7 September 2026 for Sandhurst School

The PAN for 2026 -27 is **210**

Making an application for Year 7 September 2026 for Sandhurst School

Applications to this school are in accordance with a coordinated scheme determined by the Local Authority (LA) within which the applicant resides; their home LA. It is to that LA that applications for a place at Sandhurst School should be sent and that LA will advise the applicant of the result of their application. Coordinated admission schemes include procedures for the LA to pass on the application to the admission authorities for the schools concerned when it is not itself that authority. The Corvus Learning Trust is the admission authority for Sandhurst School. As part of their delegated responsibility the school is responsible for considering any application made for a place at this school. The outcome of that consideration will be communicated to the applicant by the relevant LA.

Parents/Carers wishing to apply for a Year 7 place in September 2026 must complete the online or paper common application form provided by their home LA. The home LA is the LA in whose area the parents/carers live at the time of the application. The form must be returned to that LA no later than 31 October 2025. Offers and refusals of places will be sent by the home LA on 1 March 2026.

Late applications for Year 7 September 2026 for a place at Sandhurst School

If an application is received after the deadline of 31 October 2025, this will be considered 'late' and will be processed in line with the LA late procedure.

The Criteria for a place at Sandhurst School

The admission authority is required by law to admit all pupils with an Educational Health and Care Plan, which names Sandhurst School in the Plan.

The admission authority will then admit all applicants if it is possible to do so without exceeding the admission number determined for the year and in accordance to the following criteria:

- (A) Looked After Children⁴¹ and all previously looked after children. Previously looked after children are children who were looked after, but ceased to be so because they were adopted⁴² (or became subject to a child arrangements order⁴³ or special guardianship order⁴⁴) immediately following having been looked after. This also includes children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted⁴⁵
- (B) Children who have either medical or social grounds for admission to Sandhurst School. This evidence must set out the particular reason why the school is the only suitable school and the difficulties caused if the child had to attend another school. The decision in these matters is final. An additional form will need to be completed.
- (C) Children of staff at the school. Where a member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made and/or the member of staff is recruited to fill a vacant post for which there is demonstrable skill shortage. The skills shortage area will be determined by The Governor's Admissions Committee.

⁴¹ A 'looked after child' is a child who is (a) in the care of a local authority in England, or (b) being provided with accommodation by a local authority in England in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

⁴² This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children's Act 2002 (see section 46 adoption orders).

⁴³ Child arrangements orders are defined in s.8 of the Children Act 1989, as amended by s.12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order.

⁴⁴ See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

⁴⁵ A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

- (D) Children who live in the designated area of the school and who have a sibling who will still be attending the school at the time of the child's admission.
- (E) Children who live in the designated area of the school.
- (F) Children who do not live in the designated area of the school but who have a sibling at the school, and who will still be attending school at the time of the child's admission.
- (G) All other children.

Children must be living in the designated area at the closing date of 31 October 2025 to be considered under this criterion.

Tie Break

If there are still insufficient places, and no distinction can be made between the applicants within each of the criterion or if they do not fulfil any of the above criteria, applications will be ranked on the *radial distance* (straight line distance on a map) between the home and the school. Those living nearer to the school will be placed higher than those living further away. Radial distance will be based on the co-ordinates for the property and the school as defined in the Local Land and Property Gazetteer and based on the Ordnance Survey's national system.

For new build properties these co-ordinates may not yet be finalised by the Local Land and Property Gazetteer and therefore the co-ordinates available as of the closing date for applications will be used.

Distances are measured using direct distance calculations within a computer system. The measurement of each distance has been calculated using Pythagoras' Theorem.

In the unlikely event that two or more children live at the same distance or additional distance (measured as stated above) from school (including, for example, flats within the same building), and there are fewer places available, random allocation will be used to decide which child will be allocated the remaining place(s). This will be in the form of drawing lots, which will be supervised by someone independent of the school.

Notes on criteria

Looked After Child or Previously Looked After Child

If a parent or LA (where relevant) wishes to apply under this criterion it is their responsibility to ensure that all relevant paper work is submitted with the application, for example of a copy of the relevant order issued by the family court. Should a parent not submit any relevant documentation with their application it will be assumed that the parent does not wish these circumstances to be taken into account.

Social and Medical Grounds

If a child has a social and medical need that would cause significant physical and/or mental hardship, an applicant can indicate that they wish their application to be considered under social and medical grounds.

It is the applicant's responsibility to obtain an Sandhurst School Supplementary Social and Medical Information Form which must be completed and returned to the School Admissions Team along with supporting written evidence from a professional by the given closing date. The supporting evidence for social and medical grounds should be from the relevant registered professional(s) involved with the child. Examples include registered health professionals, such as Consultant, GP, Psychologist or Psychiatrist. All evidence must be on letter headed paper and reflect the child's current situation.

This evidence must prove why Sandhurst School is the only suitable school and why the child cannot attend another school. This evidence must be specific to the school.

It is the applicant's responsibility to provide all evidence in support of their request and it is not possible for it to be considered under this criterion if no evidence is supplied.

Sandhurst School has the resources to work with special educational needs and common childhood complaints such as asthma.

Requests will be considered in accordance with the Equalities Act 2010.

Appeals for a place(s) at Sandhurst School

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code.

Appellants should contact customer.services@bracknell-forest.gov.uk for information on how to appeal. Information on the timetable for the appeals process is on the school's website.

Waiting list for a place(s) at Sandhurst School

Bracknell Forest Council on behalf of The Governors' Admissions Committee will maintain a waiting list for unsuccessful applicants. Pupils on the list will be placed in order according to the criteria used in considering the original applications. Places, if they become available, will be offered to pupils from this list in strict order. Parents/Carers who are unsuccessful will have their child's name placed on the waiting list for their year and will be advised, on request, where the pupil stands in the list. It should be remembered that a pupil's position on the list may rise and fall as others are added or removed from the list. Parents/Carers are requested to notify Bracknell Forest School Admissions Team if at any time they no longer wish their pupil to be considered for a place at the school.

Admission of children outside their normal age group for Sandhurst School

Children are normally allocated to their chronological year group. Requests from parents for school places outside a normal age group will be considered carefully whether for gifted and talented pupils or for those who have experienced problems, e.g. having missed education due to ill health, etc.

Parents must submit their request alongside their application and include all supporting documentation. Each case will be considered on its own merits and circumstances and in the pupil's best interest.

Definitions

Sibling

A sibling refers to a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling. Sibling relates to children attending Year 7-11 at the time of admission.

Home address

The address where the child lives at the closing date for applications will be used to process on time applications. All addresses will be checked via the Revenue Services department. If any discrepancies are found it remains the applicant's responsibility to satisfy the Admissions Authority that they live at the address that they state. If fraud is suspected, then further proof may be requested. If fraud is established and a school place has been obtained as a result of a fraudulent application, then any offer of a school place will be withdrawn and the application considered afresh.

If a parent/carer owns a property which they do not occupy and/or rent out and then move into another property nearer or within the designated area of the preferred school, then it is for the applicant to provide sufficient evidence to satisfy the Local Authority that the new address is that of the property in which they reside in, to allow that address to be used to determine any relevant criteria.

If an applicant already owns and resides in a property which is in the process of being sold, Bracknell Forest is able to consider the address of the new property on submission of:

- a solicitor's letter showing completion has taken place of sale for the old property and,
- a solicitor's letter showing completion has taken place on the new property. Or,
- Current rental agreement, signed by yourself and the Landlord for the new property.

It is for the applicant to provide sufficient evidence to satisfy the Local Authority that the new address is that of the property where the child resides.

The address used on an application must be a permanent address; temporary addresses can only be considered where evidence is provided of a genuine reason for the move.

Child arrangements orders - It is increasingly common that parents are agreeing, and courts are endorsing, child arrangements orders (previously called shared residence orders) under Section 8 of The Children Act 1989. Further advice on this matter can be obtained from the School Admissions Team. Any details regarding these arrangement orders, or the child's living arrangements, must be submitted at the time of application. It is the parents' responsibility to provide this information. As a general rule shared residence is based (for admissions purposes) on the number of school nights a child spends at each home. The LA or King's Group Academies may take legal advice on these

matters as they relate to a specific case. A main address will need to be used to process the application. If the second parent/carer's address is different from the first they will not receive any information/letters.

In-year Admissions applications for a place(s) at Sandhurst School

All applications for admission to the school outside the normal admissions round, will be treated as in-year applications and are processed by the School Admissions Team at Bracknell Council on behalf of The Corvus Learning Trust as the admissions authority for Sandhurst School.

Pupils admitted under the agreed Bracknell Forest Fair Access Protocol may take priority over children on the Waiting List.

Parents/Carers wishing to apply for a place at this school can apply online via the Bracknell Forest Council's website or obtain an in-year application form from their child's current Bracknell Forest school.

Where there are places available then The Governors' Admissions Committee will determine a place can be offered to the applicant. If however at the time of this determination the school has more applications than places available in the same year group, all the applications will be ordered according to the criteria used in determining initial admissions and will be considered in that order and places will be offered accordingly.

Unless they are statutorily obliged to admit the applicant or the application is covered by the Local Authority's Fair Access Protocol, The Governors' Admissions Committee will, when reaching a decision on an application for admission to a full year group refuse the application and add to the waiting list.

The Criteria for a place at Sandhurst School

Staff

Any application submitted under this criterion will be confirmed by the school to determine if the application meets the set criterion. The skills shortage area will be determined by The Governor's Admissions Committee.

Offer of a place at Sandhurst School

Parents/Carers will be contacted either by email or phone if an offer of a place can be made at the school. Parents will then be advised of the process to start their child at the school.

Waiting list for a place(s) at Sandhurst School

If a place cannot be offered at [Sandhurst School](#) the child's name will be added to a waiting list for that year group. Bracknell Forest Council School Admissions Team on behalf of The Governors' Admissions Committee will maintain that waiting list. Pupils on the list will be placed in order according to the criteria published. Places, if they become available, will be offered to pupils from this list in strict order. Parents/Carers are requested to notify Bracknell Forest School Admissions Team if at any time they no longer wish their pupil to be considered for a place at the school. Pupils admitted under the agreed Bracknell Forest Fair Access Protocol may take priority over children on the Waiting List.

SECONDARY SCHOOL DESIGNATED AREAS

ALLOCATION HISTORY

The following tables show many preferences were expressed for Bracknell Forest schools last year (2024/25) and which criteria places were allocated to for these schools within Bracknell Forest. (If this has not been provided, then it is likely that the school is their own admissions authority or, the school is not a Bracknell Forest school. You should contact the relevant admission authority directly for this information.)

Oversubscribed Schools

From these tables you should be aware that there were a number of schools that were oversubscribed. This means that there were more applicants than available places so the admission criteria were used to decide who would be offered.

The tables will therefore give you an indication of those schools that were oversubscribed and what criteria applicants who were offered places fulfilled.

This information is important to consider when deciding on your preferences but cannot predict or guarantee what will happen this academic year - 2025/26.

Ranelagh CE School

Allocation of Places at Ranelagh School September 2025

There were 174 [PAN] places available for students to join Year 7 at Ranelagh School in September 2025.

The Admissions Panel of the Governing Body received 257 Supplementary Information Forms for consideration in January 2025 (see table below). In addition, a further 226 applications, without a Supplementary Information Form, were received and placed in Category 7.

The Guide to Secondary Education 2026.27
For admission Year 7, September 2026

The school is therefore oversubscribed and, in line with the published Admissions Arrangements, the Admissions Panel of the Governing Body has allocated places according to the criteria published in the booklet 'Guide to Secondary Education in Bracknell Forest' and in the Ranelagh School Admissions Arrangements which were published on the school website and available for parents or carers if requested in September 2024.

The following table sets out the number of applicants for whom a Supplementary Information Form was received:

Category	Number of applicants	Number of applicants following re-categorisation by Governors
Category 1 [LAC]	2	2
Category 2	4	0
Category 3	2	3
Category 4	59	70
Category 5	83	86
Category 6	75	78
Category 7	5	18
Multiple Categories	20	0
No Category	7	0

16 children with an Education Health Care Plan and 2 LAC [Category 1] have been awarded a statutory place leaving a further 156 places to be allocated by the Governing Body.

Applicants have been considered against the categories as set out in the Admissions Arrangements and ranked first by category and then as necessary according to the admissions policy by sibling link [Category 7 only] and then if necessary, by distance from the school. The first 174 ranked applicants have been offered a place.

Initially, all Category 3 and all Category 4 applicants have been offered places. In addition, of the 86 Category 5 applicants, 83 have been offered places. At this time, no offers have been made to the remaining 3 applicants in Category 5, or to those applicants in Category 6 and Category 7.

Those applicants who have not been offered a place have been automatically placed in ranked order on a waiting list, which will be maintained until the end of the academic year. From this list, offers of a place will be made, in order of priority, to fill any places which are not taken up.

In February 2025, the Governing Body at Ranelagh agreed to admit 6 students above PAN for Year 7 entry in September 2025. Therefore, the remaining 3 applicants in Category 5 and 3 applicants in Category 6 have been offered places.

A new application will need to be made for each subsequent academic year to be placed on the waiting list.

ADMISSION TO A SIXTH FORM IN BRACKNELL FOREST

If your child would like to apply for a place at a school Sixth Form within Bracknell Forest, then you should refer to the schools Sixth Form admission arrangements which will be published on the school's website.

Applications must be made to the school directly.

IN-YEAR ADMISSIONS

If you are applying for a place outside of the normal admission round you will need to use the in year application process. To do this you need to complete an in year application form which is available from the Bracknell Forest website, [In-year school application | Bracknell Forest Council \(bracknell-forest.gov.uk\)](https://www.bracknell-forest.gov.uk) along with a Guide to In Year Admissions booklet, or from the School Admissions Team. The information in this booklet is not relevant to those applicants making an in year application and the relevant booklet must be obtained before completing an in year application form.

FAIR ACCESS PROTOCOL

The School Admissions Code states that each local authority must have a Fair Access Protocol, agreed with the majority of schools in its area to ensure that outside the normal admissions round unplaced children, especially the most vulnerable, are offered a place at a suitable school as quickly as possible. In agreeing a protocol, the local authority must ensure that no school – including those with available places- is asked to take a disproportionate number of children who have been excluded from other schools, or who have challenging behaviour. The protocol must include how the local authority will use provision to ensure that the needs of pupils who are not ready for mainstream schooling are met.

The operation of Fair Access Protocols is outside the arrangements of coordination and is triggered when a parent of an eligible child has not secured a school place under the in-year application process.

UNIVERSITY TECHNICAL COLLEGES (UTCs)

If you wish to apply to send your child to a University Technical College, you must apply to the college directly.
