Proposal: Consultation on the Submission version of the Sandhurst Neighbourhood Plan 2026 – 2037 (Reg 15)

Our Reference: NH/26/16338

Dear Sir or Madam,

Thank you for your e-mail dated 19 May 2026 consulting us on the above.

National Highways has been appointed by the Secretary of State for Transport as strategic highway company under the provisions of the Infrastructure Act 2015 and is the highway authority, traffic authority and street authority for the strategic road network (SRN). The SRN is a critical national asset and as such National Highways works to ensure that it operates and is managed in the public interest, both in respect of current activities and needs as well as in providing effective stewardship of its long-term operation and integrity.

We will be concerned with proposals that have the potential to impact on the safe and efficient operation of the SRN; the M3 motorway.

We have reviewed information available on your planning portal and have 'No Comments'. However, please continue to consult us on the matters concerning planning within Bracknell Forest. Please also note that we are called National Highways, not Highways England, and amend your records accordingly.

Regards
