

ADOPTION STATEMENT
Biodiversity and Green Infrastructure
Supplementary Planning Document

In accordance with Regulations 11 and 14 of The Town and Country Planning (Local Planning) (England) Regulations 2012 (as amended), notice is given that Bracknell Forest Council resolved to approve the adoption of the Biodiversity and Green Infrastructure Supplementary Planning Document (BioGI SPD) at the 23 June 2026 Cabinet meeting.

The Biodiversity and Green Infrastructure SPD provides guidance to supplement policies LP 30, LP 31 and LP 53 in the adopted Bracknell Forest Local Plan (BFLP) March 2024. The SPD provides detailed guidance on how to comply with biodiversity and green infrastructure policies in the Local Plan.

As an adopted document, the SPD is a material consideration in the determination of planning applications.

Any person with sufficient interest in the decision to adopt the Biodiversity and Green Infrastructure SPD may apply to the High Court for permission to apply for judicial review of that decision. Any such application must be made promptly and, in any event, not later than 3 months after the date on which the SPD was adopted.
