Allocation of places to King's Academy Binfield

Primary Phase 2021/22

King's Group
Academies

The following information is based on the initial allocation at 16 April 2021 of applications received by the deadline of 15 January 2021. This information provides you with a statement on how places were allocated in line with the published admission arrangements at King's Academy Binfield.

Number of Places	Information regard the allocation
30	The school was fully allocated. Places were offered down to those applicants who fulfilled criterion (7) 'Other Children' to a distance of 0.447 miles. The remaining applicants ranked below this were placed on a waiting list

King's Academy Binfield – Admissions Criteria 2021/22

Please refer to our published admissions arrangements for further information

When the school is oversubscribed, after the admission of pupils with an Education, Health and Care plan naming the school, priority for admission will be given to those children who meet the criteria set out below, in priority order:

- 1.) Looked after children and children who were previously looked after but immediately after being looked after became subject to adoption, a child arrangements order, or special guardianship order.
- 2.) Children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted
- 3.) Priority will next be given to children based on their exceptional medical or social needs. Each application must include evidence, from a medical specialist or social worker of the child's need and why they must attend this school rather than any other, based on those needs. If evidence is not submitted to the local authority with the application, a child's medical or social needs cannot be considered. An additional form will need to be completed.
- 4.) Priority will next be given to the siblings of pupils attending the school at the time of the child's admission.
- 5.) Priority will next be given to children of staff members. Children whose parent(s) have, at the time of application, been employed by King's Academy Binfield for a minimum of two years at the time of making the application or who have been recruited to fill a vacant post within the school where there is a demonstrable skill shortage.

6.) Priority will next be given to children living within the relevant phase (primary) catchment/designated area set out in the map provided within the schools admissions policy.

7.) Other children

Tie-break

If there are still insufficient places and no distinction can be made between the applicants or if they do not fulfil any of the above criteria, a final decision will be made on the *radial distance* (straight line distance on a map) between the home and the school. Those living nearer to the school will be placed higher than those living further away. Radial distance will be based on the co-ordinates for the property and the school as defined in the Local Land and Property Gazetteer and based on the Ordnance Survey's national system.

Random allocation will be undertaken if the distance between a child's home and the academy is equidistance. This will be supervised by someone independent of the school.

Random allocation will not be applied to multiple birth siblings (twins and triplets etc.) from the same family tied for the final place as they will be admitted at time of allocation. For primary admissions we will admit them as permitted by the infant class size rules and exceed our PAN.

Our published admission arrangements can be found in [The Guide to Primary Education](#)
