

EXPRESSION OF INTEREST POTENTIAL DEVELOPMENT SITE ASCOT, BERKSHIRE

Strongs Heath Site **London Road, Ascot RG12 9FR**

Bracknell Forest Council are wishing to explore the feasibility of options to develop / remediate a former landfill site in Bracknell. The Council's main objective in doing so is to create a sustainable site, free of contamination that is suitable for use as a housing development site.

The 13.8 hectare site is being considered for residential development in the draft local plan under consultation. The site is a contaminated site, subject to EA monitoring and licence. The engagement will follow OJEU procedures.
