In accordance with Regulation 19 of the Town and Country Planning (Local Development) (England) Regulations 2004 as amended by the Town and Country Planning (Local Development) (England) (Amendment) Regulations 2008, notice is given that Bracknell Forest Council formally adopted the Parking Standards Supplementary Planning Document (SPD) on 16 March 2016.

The Parking Standards SPD sets out:

- A strategy for dealing with existing parking issues;
- The main changes to parking standards for new development from 2007 version of the Parking Standards SPD;
- Parking standards tables;
- Technical design annexes for parking spaces, disabled parking, motorcycle and cycle parking and electric vehicle charging.

The Parking Standards SPD (2016) is a material consideration for all planning applications validated after its adoption date of 16 March 2016.

Any person aggrieved by the Parking Standards SPD may apply to the High Court for permission to apply for judicial review of the decision to adopt the SPD. Any such application for leave must be made promptly and in any event not later than 3 months after the date on which the SPD was adopted.
